Action Motion approved, the roll call vote being as follows: Ayes: Mendieta-Ramos, Moore Omokunde, Najeeb, Pence, Baker, Burris, Case, and Foley - 8 Noes: None. ITEM 6. **Reports - Monthly** 6 a. **Chairperson's Report** Discussion Chairperson Foley shared the following report:
 - The Spring 2025 Commencement ceremony will take place on Saturday, May 17, at 12:00 p.m. at the UWM Panther Arena.
 - The PBS Annual Meeting will take place from May 19-21, 2025 in Atlanta, Georgia.
 - Upcoming ceremonies to be held at the Downtown Milwaukee Campus:
 - Nurses' Pinning Ceremony, May 20, 6:00 to 8:00 p.m.
 - Dental Hygiene Pinning Ceremony, May 22, 4:00 to 6:00 p.m.
 - GED/AHS/HSED Graduation Ceremony, May 28, 6:00 to 8:00 p.m.
 - Later this month the Board will be receiving a link to the annual board self-evaluation instrument. Chair Foley asked the Board to complete the poll by May 15.
 - Chair Foley attended the annual WTCS Student Ambassadors Appreciation Dinner in Wisconsin Dells on April 10. MATC's honored student ambassador was Naomi Omoruyi, who is a student of the Associate of Science program in the General Education Academic and Career Pathway with plans to transfer into Nursing.
 - The WTCDBA held its annual meeting on April 11 to elect new officers for the fiscal year beginning on July 1, 2025. The Association elected John Wyatt from the Lakeshore College District Board to be the next President. John and current DBA president Chuck Bolstad, along with Executive Director Diane Handricks, are working on a plan to evaluate, update, and improve the

association's key activities, including lobbying on behalf of all the colleges, educating and training members of all the district boards, and identifying opportunities for collaboration and cost savings.

- In March, the MATC District Board Appointment Committee appointed three individuals to the Board for terms expiring June 30, 2028.
 - Citlali Mendieta-Ramos was appointed to represent employers with 15 or more employees, Supreme Moore Omokunde was appointed as an elected official, and Raynetta Hill was appointed as an additional member. This will be the second term for Directors Mendieta-Ramos and Moore-Omokunde, who were first elected in 2022.
 - Raynetta Hill will be new to the MATC District Board. She is currently the Executive Director for Milwaukee's Historic King Drive Business Improvement District Number 8.
 - The appointments are pending Wisconsin Technical College System approval in May.
- Chair Foley shared his observations on the work and recommendations by the financial oversight ad hoc committee and the work that Director Pence has been performing as Treasurer and his role on the Internal Audit Committee.
 - Chair Foley asked General Counsel to revise the drafts that have been circulating. The drafts should be ready for presentation to the Board at the May meeting as a first read, and then ready for a vote on approval at the June meeting.
 - Chair Foley suggested several changes to the current structure of internal audit at MATC. Some, of the suggested changes include:
 - The internal audit committee should be established as a committee of the administration with a liaison from the Board to that committee who will participate but not chair the committee and not vote.
 - If any conflicts arise, the Board will hire an external person or entity to conduct the internal audit on that subject.
 - Director Pence and the college's general counsel have worked through the description for the board treasurer's position.
 - A number of items in the policy have become obsolete.
 - Changes to the treasurer's description need to be coordinated with the aforementioned internal auditor updates in order to maintain consistency.

• Chair Foley asked for the Board to receive a description of where the key compliance issues are, where the issues reside within the organization, and what the timeline is. These issues should be identified before the beginning of each fiscal year, with the board reviewing the status of the compliance with these items 30 or 60 days before the deadlines.

6 b. President's Report

Discussion Dr. Anthony Cruz shared the following report:

- Recently, more than 1,500 sophomores from Milwaukee Public Schools explored career options during the Explore Your Future event at MATC.
- The MATC Seed Library is open through May 10 at the Mequon Campus Library. The Seed Library is a joint educational project between the Mequon Campus Library and the MATC Landscape Horticulture Program and offers more than 40 types of seeds for MATC community members.
- Dr. Cruz attended the Ellucian Live conference from April 6 through 9 in Orlando, Florida, where he was one of forty college presidents who were chosen to participate in their President's Circle.
- Dr. Cruz attended the Latino Entrepreneurial Legacy Gala awards on April 19, where Director Citlali Mendieta-Ramos was recognized as an award recipient. The award recognizes individuals exemplifying excellence in entrepreneurship, innovation and community impact.
- Spring enrollment is 4,107 as of April 14. This is 106% of actual to goal and 4% higher than the same time last year.
- Board members were each given a copy of the spring 2025 enrollment by zip code, listing the top twenty zip codes by percentage for the entire college.

6 c. Treasurer's Report

Discussion Director Gale Pence shared the Treasurer's Report, which included the Other Post-Employment Benefits (OPEB) Report.

6 d. District Student Senate Report

- Discussion Mr. Warren Murphy, chairperson for the MATC District Student Association (DSA), shared the Student Senate Report. Highlights of the report included:
 - The updating of fee funding guidelines passed with unanimous approval at the last General Assembly meeting. The updates will make the process easier and more transparent for student

organizations while establishing a structure and set of policies that will help to sustain funds for years to come.

• The DSA election process is currently underway. Election results will be announced before the end of the semester.

6 e. Milwaukee PBS General Manager's Report

- Discussion Ms. Debbie Hamlett, vice president and general manager, Milwaukee PBS, shared the bi-monthly Milwaukee PBS General Manager's Report. Highlights of the report included:
 - The station has raised \$7.1 million of its \$8 million-dollar goal.
 - The Adrian Dunn Gospel show will be aired nationally at the end of the year.
 - The station has started a nine-month Digital Transformation Project which will help the station to increase their digital competency and learn best practices for increasing audience and revenue growth while engaging in cross-collaboration.
 - On April 14, the station participated in Literacy Day at Engine 28 at N. 30th St. 78 children attended the event, where they received a PBS backpack, activity sheets, and books.

MATC New Hire Metrics

May 2025

Talent Acquisition

We continue to await the results of the recent audit. The process has already proven valuable, leading to updates and improvements in several of our team's procedures. Our ongoing goal remains to fill positions as efficiently as possible while ensuring a positive and engaging candidate experience. Although summer is typically a slower period for events, we remain vigilant and ready to participate in any outreach opportunities that arise.

Faculty Hiring

Our hiring season for fall faculty positions is underway. While the number of current vacancies is relatively low, we are maintaining our strong commitment to inclusive and diverse recruitment efforts. We continue to post positions across a wide range of platforms to ensure we reach a broad and qualified candidate pool. These platforms include:

- The Chronicle of Higher Education
- Milwaukee Jobs
- Indeed
- BlacksInHigherEd.com
- WomenInHigherEd.com
- AsiansInHigherEd.com
- Hispanics of Greater Milwaukee
- American Association of Hispanics in Higher Education (AAHHE)

Diversity in Hiring

Due to the time of year, we have not seen a significant number of new faculty hires. However, staff hiring continues to reflect a strong mix of diversity, and we remain committed to fostering an inclusive workforce across all levels of the institution.

Part I: PROCUREMENTS Item 1: TEAS HEALTHCARE EXAMS- DISTRICT-WIDE

Background Information:

The Healthcare Pathway is requesting the purchase of TEAS Healthcare Exams. The purchasing process for this equipment was initiated and overseen by Mary Peters-Wojnowiak, Associate Dean of the Healthcare Pathway.

The Healthcare Pathway will be purchasing TEAS (Test of Essential Academic Skills) exams for students entering many of the healthcare programs. The reason for this purchase is the TCS10 law that mandates that all entrance testing be low cost or no cost to students. Previous to this, students paid for these exams on their own. In previous years, the Healthcare Pathway utilized the HESI entrance exam, but this posed some difficulties.

- First, the HESI exams had different assessment content depending on the discipline, so exam scores were not transferable if a student decided to change areas of study within the pathway. The TEAS exam covers all areas of assessment uniformly for each program. So ultimately, a student will not need to take another exam if they decide to change areas of study. Because this change happens frequently within the Healthcare Pathway. This change from HESI to TEAS will be a cost savings going forward due to the decrease in the number of exams needed.
- Second, with the HESI, the student had to register for an exam space on MATC's campus with MATC staff who would then need to make sure that students paid for the exam on the day of testing. This caused frustrations when credit/debit cards wouldn't work or students forgot login information. TEAS handles payments independent of our staff so that the student reports for the exam all ready to login and begin. Ultimately this makes for a less stressful testing situation for the students which likely results in better outcomes.
- Third, the HESI data collection was insufficient to meet the pathway's needs. TEAS provides customized summary reports to aid in the admission criteria determination as well as outcome predictors.

This purchase will be made under the Sole Source classification of Specific Brand – per Advisory Board recommendation and vote - which meets all state of Wisconsin Procurement Requirements.

The requested vendor does not have HUB (Historically Underutilized Business)/minority status.

Positive action by the MATC District Board will result in a purchase from ATI Testing of Leawood, KS for a cost of \$191,400.00.

Part I: PROCUREMENTS Item 2: ESPORTS EQUIPMENT – MILWAUKEE CAMPUS

Background Information:

The Athletic Department is requesting the purchase of Equipment for the MATC Esports program. The purchasing process for this equipment was initiated and overseen by Travis Mrozek, Assistant Athletic Director.

Funds will be used to create and establish our new Esports program. The requested funds will cover the cost of all the specialty equipment, including PC's, Game Consoles, and Furniture. This will also cover the cost of a server for the space that will connect all the equipment so services and updates can be done once and sent to all program computers. This will greatly reduce the man-power from IT needed to service the area

This purchase will be made under the E&I Cooperative Contract CNR01439 which meets all state of Wisconsin Procurement Requirements.

The requested vendor does not have HUB (Historically Underutilized Business)/minority status.

Positive action by the MATC District Board will result in a purchase from-CDW Government Inc of Vernon Hills, IL for a cost of \$232,786.75.

Part I: PROCUREMENTS Item 3: <u>SEARCH ENGINE OPTIMIZATION TOOL- DISTRICT-WIDE</u>

Background Information:

The Department of Marketing and Communications is requesting the purchase of a Search Optimization Tool. The purchasing process for this software was initiated and overseen by Gregory Lopez, Coordinator, Web Design.

Milwaukee Area Technical College uses search engine optimization (SEO) to ensure that our 180+ careerfocused and four-year transfer programs, as well as other key informational pages on <u>matc.edu</u>, are easily found. SEO tools allow us to strategically include language on pages that aligns to what most individuals are searching when looking for an individual program or information about colleges. The college completed a request for proposals (RFP) to ensure we found the best partner to meet our needs. MATC selected BrightEdge as our partner in this work.

This purchase will be made under the MATC RFP 25-14 which meets all state of Wisconsin Procurement Requirements.

Four (4) vendors were directly solicited and the BID was posted on DemandStar:

- BrightEdge Technologies, Inc
- AHREFS
- seoClarity
- Higher Visibility

Four (4) vendors responded

- BrightEdge Technologies, Inc
- AHREFS
- seoClarity
- ERI Design

The requested vendor does not have HUB (Historically Underutilized Business)/minority status.

Positive action by the MATC District Board will result in a purchase from BrightEdge Technologies, Inc of San Mateo, CA for a cost of \$307,944.00 (up to 7-year contract - \$43,992.00 annually).

Part I: PROCUREMENTS Item 4: ENGLISH AS A SECOND LANGUAGE SOFTWARE – DISTRICT-WIDE

Background Information:

The General Education Pathway is requesting the purchase of English as a Second Language software. The purchasing process for this software was initiated and overseen by Josephine Gomez, Dean of Community Education & Strategic Engagement.

Burlington English (BE) is a web-based English language acquisition program that focuses on the four skills of listening, speaking, reading, and writing to meet the needs of our 21st century learners. The core curriculum aligns with the College and Career Readiness Standards (CCRS) and is WIOA focused. BE provides opportunities for contextualized language learning through workforce, civics, and career pathway exploration moving learners closer to their goals of more fully participating in their community, entering the workforce, or furthering their education in one of MATC's Integrated Education Training (IET) programs and beyond into a Career Pathway.

BE is a flexible software application that instructors utilize for group or differentiated instruction in face-toface, blended or online/distance learning settings. BE's well-organized content and self-contained functionality supports teachers as they deliver high-quality, high-interest and relevant instruction to English language learners. Because BE can be used on all devices, including smart phones, this program enables the ELL/ESL department to address issues of equity and inclusion by removing some of the digital barriers experienced by so many of our students.

This purchase will be made under WTCS Purchasing Consortium RFP 20-003TPB which meets all state of Wisconsin Procurement Requirements.

The requested vendor does not have HUB (Historically Underutilized Business)/minority status.

Positive action by the MATC District Board will result in a purchase from Burlington English, of Boca Raton, FL for a cost of \$207,360.00 (2-year contract -\$103,680.00 annually).

Part I: PROCUREMENTS Item 5: <u>HYDRAULIC TROUBLESHOOTING UNIT AND WORKSTATION UPGRADE- MILWAUKEE CAMPUS</u>

Background Information:

The Manufacturing, Construction and Transportation Pathway is requesting the purchase of one (1) Hydraulic Troubleshooting Unit and upgrade to existing workstations. The purchasing process for this equipment was initiated and overseen by Patrick Hanson, Instructor Industrial Equipment Mechanic department.

The MATC Manufacturing Maintenance Program is currently experiencing significant growth, which has created the need for expansion of the intermediate hydraulic and pneumatic workstations and the addition of a new troubleshooting station. A major driver of this growth is the increasing demand from Workforce Solutions contract courses. Industry partners working with MATC have specifically requested enhanced troubleshooting training with more hands-on experiences, as well as the ability to accommodate a larger number of students simultaneously.

To meet these needs the program is requesting the acquisition of one Hydraulic Troubleshooting Unit and upgrade an existing workstation to match the advanced capabilities of the others currently in the lab. This enhancement will support both current programs demands and projected growth.

Benefits:

- Increases the lab's student capacity without enlarging group sizes, maintaining an effective handson learning environment.
- Provides hands-on training in diagnosing both electronic and mechanical system failures.
- Integrates seamlessly with our existing lab equipment, ensuring consistency across all training stations.
- Aligns with the existing curriculum, minimizing additional costs, as no new instructional materials are required.
- Directly addresses the requests from industry partners for expanded student capacity and advanced troubleshooting instruction.

Investing in the proposed equipment will directly enhance the program's ability to meet industry demands by producing highly skilled technicians. It will also ensure there is sufficient lab space and resources to support new students as the program continues to grow.

This purchase will be made under Wisconsin State Contract 25-003TP which meets all state of Wisconsin Procurement Requirements.

The requested vendor does not have HUB (Historically Underutilized Business)/minority status.

Positive action by the MATC District Board will result in a purchase from Lab Midwest, of Mequon, WI for a cost of \$91,681.00.

Part I: PROCUREMENTS Item 6: <u>SCIENCE MODELS AND EQUIPMENT FOR ACADEMIC SUPPORT CENTERS – DISTRICTWIDE</u>

Background Information:

The MATC Tutoring Department is requesting the purchase of Science Models and Equipment for Tutoring Labs. The purchasing process for this equipment was initiated and overseen by Naomi Morris, Coordinator, Tutoring Services.

A grant was obtained to purchase science models and machines to enhance science peer tutoring and self-study sessions district-wide. These essential instructional tools are designed to provide hands-on, experiential learning opportunities that align with instructors' curricula and deepen students' understanding of complex scientific concepts. The models and machines will be distributed across multiple Academic Support Centers on MATC campuses ensuring equitable access to resources that foster student engagement, critical thinking, and proficiency in science education.

This investment is a key component of our broader initiative to strengthen science education and support students on their academic and career pathways in natural and healthcare sciences, mathematics, and technology. By expanding and upgrading our inventory of instructional science equipment, we aim to create dynamic, interactive learning environments that mirror the standards of the classrooms in which students are taught. The requested funding will equip staff and tutors with the necessary tools to deliver effective, engaging, and standards-aligned science tutoring, addressing the diverse learning needs of our students and supporting their continued academic success.

This purchase will be made under the E&I Cooperative contract CNR01459 which meets all state of Wisconsin Procurement Requirements.

The requested vendor does not have HUB (Historically Underutilized Business)/minority status.

Positive action by the MATC District Board will result in a purchase from VWR International LLC of Radnor, PA for a cost of \$154,163.92.

Part I: PROCUREMENTS Item 7: NURSING EXAM SOFTWARE- DISTRICT-WIDE

Background Information:

The MATC Nursing Department is requesting the purchase of Nursing Exam Software. The purchasing process for this software was initiated and overseen by Annette Ries, Director, Nursing.

The purpose of this procurement is to acquire a comprehensive, secure, and NCLEX-aligned exam software platform that supports high-stakes assessments, enhances academic integrity, and meets the accreditation, curriculum, and analytic needs of the Nursing program.

The required BID specifications focused on the following key capabilities:

- Secure Exam Delivery
- NCLEX-Style Item Support
- Question Bank Management
- Assessment Design and Blueprinting
- Grading, Feedback, and Remediation
- Data Analytics and Reporting
- Accreditation Compliance
- Support and Integration

This purchase will be made under MATC BID 25-15 which meets all state of Wisconsin Procurement Requirements.

Three (3) vendors were directly solicited and the BID was posted on DemandStar:

- Exam Builder
- ATI Nursing Education
- ExamSoft Worldwide LLC

Four (4) vendors responded

- ATI Nursing Education
- ExamSoft Worldwide LLC
- Kaplan
- Exam Soft

The requested vendor does not have HUB (Historically Underutilized Business)/minority status.

Positive action by the MATC District Board will result in a purchase from ExamSoft Worldwide LLC of Oakland, CA for a cost of \$424,466.00 (up to 7-year contract - \$60,638.00 annually).

Part I: PROCUREMENTS Item 8: MATC ATHLETIC FACILITY SCOREBOARD- MILWAUKEE CAMPUS

Background Information:

The Athletics Department is requesting the purchase of a scoreboard for the upcoming MATC Athletic Facility. The purchasing process for this equipment was initiated and overseen by Phillip King, Executive VP of Student Success and David Sherrill, Chief District Facilities Officer.

The requested scoreboard display will be used in the future MATC Athletic Facility. The chosen design and model closely mirror what is used at Fiserv Forum per the Bucks request. Visiting NBA teams will be utilizing the MATC facility as a practice location, so the goal is for the MATC facility to mirror the experience at Fiserv Forum as much as possible.

This purchase will be made under the OMNIA Purchasing Cooperative contract R220601 which meets all state of Wisconsin Procurement Requirements.

The requested vendor does not have HUB (Historically Underutilized Business)/minority status.

Positive action by the MATC District Board will result in a purchase from Daktronics, Inc of Brookings, SD for a cost of \$278,441.00.

Part II: CONSTRUCTION Item 1: <u>RENOVATION AND REMODELING</u> DMC – H-Building - Dental Locker Rooms & Offices H112-H116 MATC Bid Reference #2025-10 – Project #2025512.02

Background Information

Previously, the Board approved lists of renovation and remodeling capital projects for budget years. The projects and funding plan were also approved as part of respective year budget approvals. This project is the second phase of the process to expand the Dental Clinic. This work includes the relocation of the existing locker rooms and offices with the Dental Clinic to make way for the Dental Clinic Expansion. The first phase is nearing completion now on the third floor. Once completed, this project area will be vacated after the Pathway Office relocates to the new renovated areas on the third floor. The final phase will be to renovate the space vacated by the locker rooms and office within the clinic to accommodate additional dental chair setups.

The contract recommended for approval below is for a single prime contract that pertains to the general construction for the previously mentioned areas.

Bid documents for the aforementioned work were prepared in accordance with Board policies and State regulations, and advertisements were placed in the Daily Reporter, the Milwaukee Courier and the Spanish Journal. The bids were opened on May 15, 2025 with the following results which include the Base Bid, Alternate 1, and Allowance.

REMODELING SPECIFIED AREAS & RELATED WORK (Comprehensive Single Prime)

| Bear Construction Company | \$ 874,444.00* |
|-------------------------------|-----------------|
| Dahlman Construction Company | \$ 957,900.00 |
| Absolute Construction Company | \$ 955,680.00 |
| Creative Constructors | \$ 907,000.00 |
| Selzer-Ornst Construction | \$ 947,615.00 |
| Beeler Construction | \$ 1,092,915.00 |

Proposals were evaluated, and the low qualified bid, as indicated by the asterisk, has met specifications. There were no challenges to the bid document or the manner in which the successful bidder was selected.

Positive action by the board on this item will authorize the issuance of a contract in the amount shown to the firm indicated by the asterisk.

Part II: CONSTRUCTION Item 2: <u>RENOVATION AND REMODELING</u> DMC – Accordion Fire Doors Project #2025509.02 JWC Building Specialties, Inc.

Background Information

Previously, the Board approved lists of renovation and remodeling capital projects for budget years. The projects and funding plan were also approved as part of respective year budget approvals.

This project deals with the installation of Emergency Life Safety System Equipment to achieve fire and smoke separation between the Main Building and the S-Building on the Downtown Milwaukee Campus

The current fire and smoke separation doors are inoperable, obsolete, and proprietary systems that are no longer supported by the manufacturer. New doors and controls will be installed to meet code requirements, and integrated with the current fire alarm systems in both buildings.

The proposal for the aforementioned work is in line with a current UW Purchasing Contract #22-5716 in the amount of \$ 86,445.

Part II: CONSTRUCTION Item 3: DMC – Main Building – Building Automation System (Metasys) Backbone Upgrade Project # 2025504.02 Johnson Controls Inc.

Background Information

Previously, the Board approved lists of renovation and remodeling capital projects for budget years. The projects and funding plan were also approved as part of respective year budget approvals.

This project deals with the purchase of communication components for the building automation system for the Main Building on the Downtown Milwaukee Campus

This is the purchase of eleven new communication engines to replace aging equipment that is no longer supported and is outdated. These engines are critical for operating our Building Automation System. We have twenty-three older engines downtown, so these eleven engines would be targeted to replace our oldest engines and those operating our most critical systems first. This is in alignment with our Building Automation System Master Plan.

The proposal for the aforementioned work is in line with a current TIPS Contract #22010601 in the amount of \$115,634.

Part II: CONSTRUCTION Item 4: Emergency Life Safety System Replacement of the DMC Fire Alarm and Mass Notification Systems for the DMC Main Building Project #2025505.01 Hurt Electric, Inc.

Background Information

Previously, the Board approved lists of renovation and remodeling capital projects for budget years. The projects and funding plan were also approved as part of respective year budget approvals.

This project deals with the Emergency Life Safety System Replacement of the Fire Alarm and Mass Notification Systems for the Main Building on the Downtown Milwaukee Campus

The current fire alarm and mass notification system are antiquated, proprietary systems that are no longer supported by the manufacturer. A Life Safety System Master Plan Study was conducted to evaluate and recommend a non-proprietary system to proceed with the replacement of both life safety systems districtwide. This is the second project to initiate the update of the life safety systems districtwide.

These services are being contracted through the MATC RFP 21-21 CONTRACTED SKILLED TRADES. Project total \$ 262,800.

Part II: CONSTRUCTION Item 5: <u>RENOVATION AND REMODELING</u> DW – Signage Replacements Project #2025519.03 Milwaukee Sign Company

Background Information

Previously, the Board approved lists of renovation and remodeling capital projects for budget years. The projects and funding plan were also approved as part of respective year budget approvals.

This project deals with the replacement of signage components on all of the districtwide campuses to reflect the new MATC Logo branding.

The proposal for the aforementioned work is in line with a current UWM Purchasing Contract # P21-012-O26 in the amount of \$ 240,000.

Attachment 5-a.

\$1,500,000.00 Milwaukee Area Technical College District, Wisconsin General Obligation Promissory Notes, Series 2024-25L

RESOLUTION AUTHORIZING THE SALE OF \$1,500,000.00 GENERAL OBLIGATION PROMISSORY NOTES, SERIES 2024-25L

WHEREAS, pursuant to Section 67.12(12) of the Wisconsin Statutes, as amended (the "Act"), the Milwaukee Area Technical College District, Wisconsin (the "District"), is authorized to issue notes of the District in the aggregate amount of \$1,500,000.00 for the public purpose of financing building remodeling and improvement projects, consisting of projects included in the District's 2024-2025 building remodeling and improvement program (the public purpose projects described above are hereafter referred to as the "Public Purposes"); and

WHEREAS, on May 27, 2025, the District authorized the issuance of \$1,500,000.00 General Obligation Promissory Notes, Series 2024-25L (the "Notes") for the Public Purposes; and

WHEREAS, the District has prepared and distributed a Preliminary Official Statement, dated May 19, 2025 (the "Preliminary Official Statement"), describing the Notes and the security therefor; and

WHEREAS, the District has examined proposed documentation for the Notes (collectively, the "Note Documents"), as follows:

(a) an Official Notice of Sale issued by the District and a Parity Bid Form (the "Note Purchase Agreement") to be entered into between the District and the Underwriter, providing for the sale of the Notes; and

(b) the Preliminary Official Statement.

WHEREAS, it is now expedient and necessary for the District to issue its general obligation promissory notes in the amount of \$1,500,000.00 for the Public Purposes;

NOW, THEREFORE, the District hereby resolves as follows:

Section 1. <u>Definitions</u>. The following terms shall have the following meanings in this Resolution unless the text expressly or by implication requires otherwise:

"District" shall mean the Milwaukee Area Technical College District, Wisconsin;

"<u>Fiscal Agent</u>" shall mean the Treasurer of the District or such other entity as the District may approved to act as fiscal agent;

"<u>Governing Body</u>" shall mean the Board of the District, or such other body as may hereafter be the chief legislative body of the District;

"<u>Initial Resolution</u>" shall mean the "Resolution Authorizing the Issuance of \$1,500,000.00 General Obligation Promissory Notes, Series 2024-25L of Milwaukee Area Technical College District, Wisconsin", adopted by the Governing Body on May 27, 2025;

"Note Registrar" means the Secretary of the District;

"<u>Notes</u>" shall mean the \$1,500,000.00 General Obligation Promissory Notes, Series 2024-25L, of the District;

"<u>Public Purposes</u>" shall mean the public purpose of financing \$1,500,000.00 of building remodeling and improvement projects, consisting of projects included in the District's 2024-2025 building remodeling and improvement program, and paying certain costs of issuance;

"<u>Purchase Price</u>" shall mean \$1,559,819.50 (\$1,500,000.00 par amount of Notes, <u>plus</u> premium of \$66,297.00, <u>less</u> underwriter's discount of \$6,477.50);

"<u>Record Date</u>" shall mean the close of business on the fifteenth day of the calendar month next preceding any principal or interest payment date;

"<u>Securities Depository</u>" means The Depository Trust Company, New York, New York, or its nominee; and

"Underwriter" means FHN Financial Capital Markets.

Section 2. <u>Authorization of the Notes</u>. For the purpose of financing the Public Purposes, there shall be borrowed on the full faith and credit of the District the sum of

\$1,500,000.00; and fully registered general obligation promissory notes of the District are authorized to be issued in evidence thereof.

Section 3. <u>Sale of the Notes</u>. To evidence such indebtedness, (i) the Chairperson or the Vice Chairperson and (ii) the Secretary of the District are hereby authorized, empowered and directed to make, execute, issue and sell to the Underwriter for, on behalf of and in the name of the District, general obligation promissory notes in the aggregate principal amount of One Million Five Hundred Thousand Dollars (\$1,500,000.00) for the Purchase Price, plus accrued interest to the date of delivery.

Section 4. <u>Terms of the Notes</u>. The Notes shall be designated "General Obligation Promissory Notes, Series 2024-25L"; shall be dated the Dated Date; shall be numbered one and upward; shall bear interest as shown on the Maturity Schedule below; shall be issued in denominations of \$5,000 or any integral multiple thereof; and shall mature on the dates and in the amounts as set forth below. Interest on the Notes shall accrue from the Interest Accrual Date and shall be payable semi-annually on June 1 and December 1 of each year, commencing on

MATURITY SCHEDULE

| <u>Maturity</u> | <u>Principal</u> | <u>Interest</u> |
|-----------------|------------------|-----------------|
| <u>Date</u> | <u>Amount</u> | <u>Rate</u> |
| | | |
| June 1, 2026 | \$350,000 | 5.00% |
| June 1, 2027 | \$500,000 | 5.00% |
| June 1, 2028 | \$500,000 | 5.00% |
| June 1, 2029 | \$150,000 | 5.00% |

The Notes of this issue shall not be subject to call and payment prior to maturity.

Section 5. <u>Form, Execution, Registration and Payment of the Notes</u>. The Notes shall be issued as registered obligations in substantially the form attached hereto as <u>Exhibit A</u> and incorporated herein by this reference.

The Notes shall be executed in the name of the District by the manual signatures of (i) the Chairperson or the Vice Chairperson and (ii) the Secretary or other officer, and may be sealed with its official or corporate seal, if any.

The principal of, premium, if any, and interest on the Notes shall be paid by the Fiscal Agent.

Both the principal of and interest on the Notes shall be payable in lawful money of the United States of America by the Fiscal Agent. Payment of principal of the final maturity on the Notes will be payable upon presentation and surrender of the Notes to the Fiscal Agent. Payment of principal on the Notes (except the final maturity) and each installment of interest shall be made to the registered owner of each Note who shall appear on the registration books of the District, maintained by the Note Registrar, on the
Record Date and shall be paid by check or draft of the Fiscal Agent and mailed to such registered owner at the address appearing on such registration books or at such other address may be furnished in writing to such registered owner to the Note Registrar.

Section 6. <u>Note Proceeds</u>. The sale proceeds of the Notes (exclusive of accrued interest, printing distribution and filing fees, and any premium received) shall, forthwith upon receipt, be placed in and kept by the District Treasurer as a separate fund to be known as the Promissory Notes, Series 2024-25L, Borrowed Money Fund (hereinafter referred to as the "Borrowed Money Fund"). Moneys in the Borrowed Money Fund shall be used solely for the purposes for which borrowed or for transfer to the Debt Service Fund as provided by law.

Section 7. <u>Tax Levy</u>. In order to provide for the collection of a direct annual tax sufficient in amount to pay and for the express purpose of paying the interest on the Notes as it falls due and also to pay and discharge the principal thereof at maturity, there is hereby levied upon all of the taxable property in the District, in addition to all other taxes, a nonrepealable, direct, annual tax in an amount sufficient for that purpose. This tax shall be from year to year carried into the tax roll of the District and collected in addition to all other taxes and in the same manner and at the same time. Said tax is to be for the following years and in the following minimum amounts:

| Year of Levy | Amount of Tax |
|--------------|---------------|
| 2024 | \$35,208.33 |
| 2025 | \$416,250.00 |
| 2026 | \$545,000.00 |
| 2027 | \$520,000.00 |
| 2028 | \$153,750.00 |

The District shall be and continue without power to repeal such levy or obstruct the collection of said tax until all such payments have been made or provided for. After the issuance of the Notes, said tax shall be carried into the tax rolls of the District and collected as other taxes are collected, provided that the amount of tax carried into said tax rolls with respect to the Notes may be reduced by the amount of any surplus money in the Debt Service Fund created pursuant to Section 8 below.

If there shall be insufficient funds from the tax levy to pay the principal of or interest on the Notes when due, the said principal or interest shall be paid from other funds of the District on hand, said amounts to be returned when said taxes have been collected.

There be and there hereby is appropriated from taxes levied by the District in anticipation of the issuance of the Notes and other funds of the District on hand a sum sufficient to be deposited in the Debt Service Fund to meet payments with respect to debt service due for the year 2025.

Section 8. <u>Debt Service Fund</u>. Within the debt service fund previously established within the treasury of the District, there be and there hereby is established a separate and

distinct fund designated as the "Debt Service Fund for \$1,500,000.00 General Obligation Promissory Notes, Series 2024-25L, dated June 12, 2025" (the "Debt Service Fund"), and such fund shall be maintained until the indebtedness evidenced by the Notes is fully paid or otherwise extinguished. The District Treasurer shall deposit in such Debt Service Fund (i) all accrued interest received by the District at the time of delivery of and payment for the Notes; (ii) the taxes herein levied for the specific purpose of meeting principal of and interest on the Notes when due; (iii) such other sums as may be necessary at any time to pay principal of and interest on the Notes when due; (iv) any premium which may be received by the District above the par value of the Notes and accrued interest thereon; (v) surplus moneys in the Borrowed Money Fund for the Notes; and (vi) such further deposits as may be required by Section 67.11 of the Wisconsin Statutes.

No money shall be withdrawn from the Debt Service Fund and appropriated for any purpose other than the payment of principal of and interest on the Notes until all such principal and interest has been paid in full and canceled; provided (i) the funds to provide for each payment of principal of and interest on the Notes prior to the scheduled receipt of taxes from the next succeeding tax collection may be invested in direct obligations of the United States of America maturing in time to make such payments when they are due or in other investments permitted by law; and (ii) any funds over and above the amount of such principal and interest payments on the Notes may be used to reduce the next succeeding tax levy, or may, at the option of the District, be invested by purchasing the Notes as permitted by and subject to Section 67.11(2)(a) of the Wisconsin Statutes in interest-bearing obligations of the United States of America, in other obligations of the District or in other investments permitted by law, which investments shall continue as a part of the Debt Service Fund.

When all of the Notes have been paid in full and canceled, and all permitted investments disposed of, any money remaining in the Debt Service Fund shall be deposited in the general fund of the District, unless the District Board directs otherwise.

Section 9. <u>Deposits and Investments</u>. The Debt Service Fund shall be kept apart from moneys in the other funds and accounts of the District and the same shall be used for no purpose other than the prompt payment of principal of and interest on the Notes as the same becomes due and payable. All moneys therein shall be deposited in special and segregated accounts in a public depository selected under Chapter 34 of the Wisconsin Statutes and may be temporarily invested until needed in legal investments subject to the provisions of Sections 66.0603(1m) and 67.10(3) of the Wisconsin Statutes. All income derived from such investments shall be regarded as revenues of the District. No such investment shall be in such a manner as would cause the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Code or the Regulations of the Commissioner of Internal Revenue thereunder.

The District Treasurer shall, on the basis of the facts, estimates and circumstances in existence on the date of closing, make such certifications as are necessary to permit the conclusion that the Notes are not "arbitrage bonds" under Section 148 of the Code or the Regulations of the Commissioner of Internal Revenue thereunder. Section 10. <u>Sale of Notes</u>. The terms, conditions and provisions of the Notes and the Note Documents are, in all respects, authorized and approved. The form of the Note Purchase Agreement is hereby approved. The Notes shall be sold and delivered in the manner, at the Purchase Price, plus interest accrued from the Interest Accrual Date to the closing date, pursuant to the terms and conditions set forth in the Note Purchase Agreement.

The preparation of the Preliminary Official Statement and the Final Official Statement, and their use as contemplated in the Note Purchase Agreement, are hereby approved. The Preliminary Official Statement is "deemed final" as of its date, except for omissions or subsequent modifications permitted under Rule 15c2-12 of the Securities and Exchange Commission. The Chairperson, the Vice Chairperson and Secretary of the District are authorized and directed to do any and all acts necessary to conclude delivery of the Notes to the Underwriter, as soon after adoption of this Resolution as is convenient.

Section 11. <u>Book-Entry Only Notes</u>. The Notes shall be transferable as follows:

(a) Each maturity of Notes will be issued as a single Note in the name of the Securities Depository, or its nominee, which will act as depository for the Notes. During the term of the Notes, ownership and subsequent transfers of ownership will be reflected by book entry on the records of the Securities Depository and those financial institutions for whom the Securities Depository effects book entry transfers (collectively, the "Participants"). No person for whom a Participant has an interest in Notes (a "Beneficial Owner") shall receive bond certificates representing their respective interest in the Notes except in the event that the Securities Depository or the District shall determine, at its option, to terminate the book-entry system described in this Section. Payment of principal of, and interest on, the Notes will be made by the Fiscal Agent to the Securities Depository which will in turn remit such payment of principal and interest to its Participants which will in turn remit such principal and interest to the Beneficial Owners of the Notes until and unless the Securities Depository or the District elect to terminate the book entry system, whereupon the District shall deliver bond certificates to the Beneficial Owners of the Notes or their nominees. Note certificates issued under this Section may not be transferred or exchanged except as provided in this Section.

(b) Upon the reduction of the principal amount of any maturity of Notes, the Registered Noteowner may make a notation of such redemption on the panel of the Note, stating the amount so redeemed, or may return the Note to the District for exchange for a new Note in a proper principal amount. Such notation, if made by the Noteowner, may be made for reference only, and may not be relied upon by any other person as being in any way determinative of the principal amount of such Note Outstanding, unless the Note Registrar initialed the notation on the panel.

(c) Immediately upon delivery of the Notes to the purchasers thereof on the delivery date, such purchasers shall deposit the bond certificates representing all of the

Notes with the Securities Depository. The Securities Depository, or its nominee, will be the sole Noteowner of the Notes, and no investor or other party purchasing, selling or otherwise transferring ownership of any Notes will receive, hold or deliver any bond certificates as long as the Securities Depository holds the Notes immobilized from circulation.

(d) The Notes may not be transferred or exchanged except:

(1) To any successor of the Securities Depository (or its nominee) or any substitute depository ("Substitute Depository") designated pursuant to (ii) below, provided that any successor of the Securities Depository or any Substitute Depository must be a qualified and registered "clearing agency" as provided in Section 17L of the Securities Exchange Act of 1934, as amended;

(2) To a Substitute Depository designated by or acceptable to the District upon (a) the determination by the Securities Depository that the Notes shall no longer be eligible for depository services or (b) a determination by the District that the Securities Depository is no longer able to carry out its functions, provided that any such Substitute Depository must be qualified to act as such, as provided in subparagraph (1) above; or

(3) To those persons to whom transfer is requested in written transfer instructions in the event that:

(i) The Securities Depository shall resign or discontinue its services for the Notes and, only if the District is unable to locate a qualified successor within two months following the resignation or determination of noneligibility, or

(ii) Upon a determination by the District that the continuation of the book entry system described herein, which precludes the issuance of certificates to any Noteowner other than the Securities Depository (or its nominee) is no longer in the best interest of the Beneficial Owners of the Notes.

(e) The Depository Trust Company, New York, New York, is hereby appointed the Securities Depository for the Notes.

Section 12. <u>Undertaking to Provide Continuing Disclosure</u>. The (i) Chairperson or the Vice Chairperson and (ii) Secretary of the District are hereby authorized and directed to execute on behalf of the District, the Continuing Disclosure Agreement in connection with the Notes for the purpose of complying with the requirements of Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended.

Section 13. Compliance with Federal Tax Laws.

(a) The District represents and covenants that the project financed by the Notes and their ownership, management and use will not cause the Notes to be "private activity bonds" within the meaning of Section 141 of the Code, and the District shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the Notes.

(b) The District also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Notes, provided that in meeting such requirements the District will do so only to the extent consistent with the proceedings authorizing the Notes and the laws of Wisconsin, and to the extent there is a reasonable period of time in which to comply.

Section 14. <u>Rebate Fund</u>. If necessary, the District shall establish and maintain, so long as the Notes are outstanding, a separate account to be known as the "Rebate Fund" for the purpose of complying with the rebate requirements of Section 148(f) of the Code. The Rebate Fund is for the sole purpose of paying rebate to the United States of America, if any, on amounts of bond proceeds held by the District. The District hereby covenants and agrees that it shall pay from the Rebate Fund the rebate amounts as determined herein to the United States of America.

The District may engage the services of accountants, attorneys, or other consultants necessary to assist it in determining rebate amounts. Amounts held in the Rebate Fund and the investment income therefrom are not pledged as security for the Notes and may only be used to pay amounts to the United States. The District shall maintain or cause to be maintained records of such determinations until six (6) years after payment in full of the Notes and shall make such records available upon reasonable request therefor.

Section 15. <u>Defeasance</u>. When all Notes have been discharged, all pledges, covenants and other rights granted to the owners thereof by this Resolution shall cease. The District may discharge all Notes due on any date by irrevocably depositing in escrow with a suitable bank or trust company a sum of cash and/or bonds or securities issued or guaranteed as to principal and interest of the U.S. Government, or of a commission, board or other instrumentality of the U.S. Government ("Government Obligations"), or of securities wholly and irrevocably secured as to principal and interest by Government Obligations and rated in the highest rating category of a nationally recognized rating service, maturing on the dates and bearing interest at the rates required to provide funds sufficient to pay when due the interest to accrue on each of said Note to its maturity or, at the District's option, if said Note is prepayable to any prior date upon which it may be called for redemption, and to pay and redeem the principal amount of each such Note at maturity, or at the District's option, if said Note is prepayable, at its earliest redemption date, with the premium required for such redemption, if any, provided that notice of the redemption of all prepayable Notes on such date has been duly given or provided for.

Section 16. <u>Resolution a Contract</u>. The provisions of this Resolution shall constitute a contract between the District and the owner or owners of the Notes, and after issuance of any of the Notes no change or alteration of any kind in the provisions of this Resolution may be made, except as provided in Section 18, until all of the Notes have been paid in full as to both principal and interest. The owner or owners of any of the Notes shall have the right in addition to all other rights, by mandamus or other suit or action in any court of competent jurisdiction, to enforce such owner's or owners' rights against the District, the Governing Body thereof, and any and all officers and agents thereof including, but without limitation, the right to require the District, its Governing Body and any other authorized body, to fix and collect rates and charges fully adequate to carry out all of the provisions and agreements contained in this Resolution.

Section 17. <u>General Authorizations</u>. The Chairperson, the Vice Chairperson and the Secretary of the District and the appropriate deputies and officials of the District in accordance with their assigned responsibilities are hereby each authorized to execute, deliver, publish, file and record such other documents, instruments, notices and records and to take such other actions as shall be necessary or desirable to accomplish the purposes of this Resolution and to comply with and perform the obligations of the District under the Notes. The execution or written approval of any document by the Chairperson, the Vice Chairperson or Secretary of the District herein authorized shall be conclusive evidence of the approval by the District of such document in accordance with the terms hereof.

In the event that said officers shall be unable by reason of death, disability, absence or vacancy of office to perform in timely fashion any of the duties specified herein (such as the execution of Notes), such duties shall be performed by the officer or official succeeding to such duties in accordance with law and the rules of the District.

Any actions taken by the Chairperson, the Vice Chairperson and Secretary consistent with this Resolution are hereby ratified and confirmed.

Section 18. <u>Amendment to Resolution</u>. After the issuance of any of the Notes, no change or alteration of any kind in the provisions of this Resolution may be made until all of the Notes have been paid in full as to both principal and interest, or discharged as herein provided, except: (a) the District may, from to time, amend this Resolution without the consent of any of the owners of the Notes, but only to cure any ambiguity, administrative conflict, formal defect, or omission or procedural inconsistency of this Resolution; and (b) this Resolution may be amended, in any respect, with a written consent of the owners of not less than two-thirds (2/3) of the principal amount of the Notes then outstanding; provided, however, that no amendment shall permit any change in the pledge of tax revenues of the District or the maturity of any Note issued hereunder, or a reduction in the rate of interest on any Note, or in the amount of the principal obligation thereof, or change the terms upon which the Notes may be redeemed or make any other modification in the terms of the payment of such principal or interest

without the written consent of the owner of each such Note to which the change is applicable.

Section 19. <u>Illegal or Invalid Provisions</u>. In case any one or more of the provisions of this Resolution or any of the Notes shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provision of this Resolution or of the Notes.

Section 20. <u>Conflicting Resolutions</u>. All ordinances, resolutions, or orders, or parts thereof heretofore enacted, adopted or entered, in conflict with the provisions of this Resolution, are hereby repealed and this Resolution shall be in effect from and after its passage.

FOR VALUE RECEIVED, Milwaukee Area Technical College District, Wisconsin, promises to pay to CEDE & CO., or registered assigns, the principal sum of _______(\$_____) on the maturity date specified above, together with interest thereon from _______ or the most recent payment date to which interest has been paid, unless the date of registration of this Note is after the 15th day of the calendar month immediately preceding an interest payment date, in which case interest will be paid from such interest payment date, at the rate per annum specified above, such interest being payable on June 1 and December 1 of each year, with the first interest on this issue being payable on _____.

The Notes of this issue shall not be subject to call and payment prior to maturity.

Both principal hereof and interest hereon are hereby made payable to the registered owner in lawful money of the United States of America, and for the prompt payment of this Note with interest thereon as aforesaid, and the levying and collection of taxes sufficient for that purpose, the full faith, credit and resources of the District are hereby irrevocably pledged. The principal of this Note shall be payable only upon presentation and surrender of this Note to the District Treasurer at the principal office of the District. Interest hereon shall be payable by check or draft dated as of the applicable interest payment date and mailed from the office of the District Treasurer to the person in whose name this Note is registered at the close of business on the fifteenth day of the calendar month next preceding each interest payment date.

This Note is transferable only upon the books of the District kept for that purpose by the District Secretary at the principal office of the District, by the registered owner in person or his duly authorized attorney, upon surrender of this Note together with a written instrument of transfer (which may be endorsed hereon) satisfactory to the District Secretary duly executed by the registered owner or his duly authorized attorney. Thereupon a new Note or Notes of the same aggregate principal amount, series and maturity shall be issued to the transferee in exchange therefor. The District may deem and treat the person in whose name this Note is registered as the absolute owner hereof for the purpose of receiving payment of or on account of the principal or interest hereof and for all other purposes. The Notes are issuable solely as negotiable, fully registered Notes without coupons in authorized denominations of \$5,000 or any whole multiple thereof.

This Note is one of an issue aggregating \$1,500,000.00 issued pursuant to the provisions of Section 67.12(12) of the Wisconsin Statutes, for the public purpose of financing \$1,500,000.00 building remodeling and improvement projects, consisting of projects included in the District's 2024-2025 building remodeling and improvement program (the public purpose projects described above are hereafter referred to as the "Public Purposes") and is authorized by a resolution of the District Board of the District, duly adopted by said District Board at its meetings duly convened on ______, which resolutions are recorded in the official book of its minutes for said date.

It is hereby certified and recited that all conditions, things and acts required by law to exist or to be done prior to and in connection with the issuance of this Note have been done, have existed and have been performed in due form and time; that the aggregate indebtedness of the District, including this Note and others authorized simultaneously herewith, does not exceed any limitations imposed by law or the Constitution of the State of Wisconsin; and that the District has levied a direct, annual irrepealable tax sufficient to pay this Note, together with interest thereon when and as payable.

No delay or omission on the part of the owner hereof to exercise any right hereunder shall impair such right or be considered as a waiver thereof or as a waiver of or acquiescence in any default hereunder. IN WITNESS WHEREOF, the District Board of Milwaukee Area Technical College District, Wisconsin, has caused this Note to be signed on behalf of said District by its duly qualified and acting Chairperson or Vice Chairperson, and Secretary or other officer, and its corporate seal to be impressed hereon, all as of the date of original issue specified above.

Rating Action: Moody's Ratings assigns Aa1 to Milwaukee Area Technical College District, WI's Series 2024-25L GO notes

19 May 2025

New York, May 19, 2025 -- Moody's Ratings (Moody's) has assigned a Aa1 rating to Milwaukee Area Technical College District, WI's (MATC) General Obligation Promissory Notes, Series 2024-25L, with a proposed par amount of \$1.5 million. We maintain a Aa1 rating on the district's outstanding general obligation unlimited tax (GOULT) debt. Following the sale, the district will have about \$79 million in debt outstanding.

RATINGS RATIONALE

The Aa1 rating reflects the district's strong financial position supported by recent operating surpluses which, coupled with proactive management, will largely offset its limited ability to raise new revenue and provide a buffer should enrollment declines resume. Net current assets were approximately 50% of revenue in 2024, and reserves will remain strong in fiscal 2025 despite a very modest planned use of fund balance. While median family income is modest at 85% of the US, the district benefits from a very large and diverse tax base that includes the City of Milwaukee (A3 stable) and surrounding communities in Milwaukee County (Aa3 stable) and Ozaukee County (Aaa). Leverage is relatively low, with combined debt and pensions less than 150% of revenue at the close of fiscal 2024.

RATING OUTLOOK

We do not assign outlooks to local governments with this amount of debt.

FACTORS THAT COULD LEAD TO AN UPGRADE OF THE RATING

- Sustained strengthening of demand that drives an improved enrollment trend
- Continued growth in reserves or enhanced budgetary flexibility

FACTORS THAT COULD LEAD TO A DOWNGRADE OF THE RATING

- Substantial weakening of the regional economy or resident income levels
- Declines in financial reserves to levels below 30% of revenue
- Increased leverage to more than 250% of revenue

PROFILE

Milwaukee Area Technical College District is one of the largest technical college systems in Wisconsin (Aa1 stable), providing vocational education to residents of Milwaukee County, the majority of Ozaukee County, and small portions of Washington (Aaa) and Waukesha (Aaa) counties.

METHODOLOGY

The principal methodology used in this rating was US Special Purpose District General Obligation Debt published in February 2025 and available at https://ratings.moodys.com/rmc-

REGULATORY DISCLOSURES

For further specification of Moody's key rating assumptions and sensitivity analysis, see the sections Methodology Assumptions and Sensitivity to Assumptions in the disclosure form. Moody's Rating Symbols and Definitions can be found on <u>https://ratings.moodys.com/rating-definitions</u>.

For any affected securities or rated entities receiving direct credit support/credit substitution from another entity or entities subject to a credit rating action (the supporting entity), and whose ratings may change as a result of a credit rating action as to the supporting entity, the associated regulatory disclosures will relate to the supporting entity. Exceptions to this approach may be applicable in certain jurisdictions.

For ratings issued on a program, series, category/class of debt or security, certain regulatory disclosures applicable to each rating of a subsequently issued bond or note of the same series, category/class of debt, or security, or pursuant to a program for which the ratings are derived exclusively from existing ratings, in accordance with Moody's rating practices, can be found in the most recent Credit Rating Announcement related to the same class of Credit Rating.

For provisional ratings, the Credit Rating Announcement provides certain regulatory disclosures in relation to the provisional rating assigned, and in relation to a definitive rating that may be assigned subsequent to the final issuance of the debt, in each case where the transaction structure and terms have not changed prior to the assignment of the definitive rating in a manner that would have affected the rating.

Moody's does not always publish a separate Credit Rating Announcement for each Credit Rating assigned in the Anticipated Ratings Process or Subsequent Ratings Process.

Regulatory disclosures contained in this press release apply to the credit rating and, if applicable, the related rating outlook or rating review.

Please see <u>https://ratings.moodys.com</u> for any updates on changes to the lead rating analyst and to the Moody's legal entity that has issued the rating.

Please see the issuer/deal page on <u>https://ratings.moodys.com</u> for additional regulatory disclosures for each credit rating.

MILWAUKEE AREA Technical College

EQUAL OPPORTUNITY AND AFFIRMATIVE ACTION COMMITMENT

Milwaukee Area Technical College's commitment to equal opportunity in admissions, educational programs, and employment policies assures that all individuals are included in the diversity that makes the college an exciting institution. MATC does not discriminate against qualified individuals in employment or access to courses, programs, or extracurricular activities on the basis of race, color, national origin, ancestry, religion, creed, sex, sexual orientation, age, disability, pregnancy, marital status, parental status, or other protected class status. The lack of English skills shall not be a barrier to admission or participation in any MATC program or service.

MATC will comply fully with state and federal Equal Opportunity and Affirmative Action laws, executive orders, and regulations. Direct questions concerning application of this policy to the MATC Affirmative Action Officer, 700 West State Street, Milwaukee, WI 53233-1443.

It is the policy of MATC to provide reasonable accommodations for all students, or applicants for admission, who have disabilities (see Discrimination Against Individuals With Disabilities Policy (0203). MATC will adhere to all applicable federal and state laws, regulations, and guidelines with respect to providing reasonable accommodations as required to afford equal opportunity and access to programs and services for students with disabilities. Reasonable accommodations will be provided in a timely and cost-effective manner. Access shall not be denied because of the need to make reasonable accommodations for an individual's disability.

State and federal laws include the concept of "reasonable accommodation" as a key element in providing equal opportunity and access to programs and services for students with disabilities.

MATC 460 を14:287-MATC

Draft 05-27-25

MATC is an Affirmative Action/Equal Opportunity Institution and complies with all requirements of the Americans With Disabilities Act.

MATC Overview

Wisconsin's Largest and Most Diverse Technical College

Milwaukee Area Technical College (MATC) is the largest of the 16 technical colleges that compose the Wisconsin Technical College System (WTCS) and one of the most diverse institutions of higher education in the Midwest. During the academic year 2023-24, MATC served 31,112 students. The college's district includes all of Milwaukee County, most of Ozaukee County, and small portions of Washington and Waukesha counties.

that allow a student to begin a bachelor's degree at technical college campuses. MATC specifically maintains transfer agreements with more than 40 four-year colleges and universities, including guaranteed transfer agreements with Marquette University and the University of Wisconsin-Milwaukee. MATC offers courses on campus, online, and in hybrid and blended formats that bring together classroom and online learning.

- 180+ associate degree, technical diploma, certificate and apprenticeship programs.
- 40+ four-year college and university transfer partners, offering a less expensive path to a bachelor's degree for students.
- The opportunity to complete high school through a General Educational Development (GED) certificate in English or Spanish, a High School Equivalency Diploma (HSED), or high school diploma at MATC's Adult High School. The college also provides English as a Second Language (ESL) programs at four campuses and the MATC Education Center at Walker's Square, and serves students who need additional support while enrolled in their academic program. While earning a GED, HSED or high school diploma, or taking ESL classes, students also can enroll in various career pathways that lead to the completion of a high school credential, college credits and employment preparation.
- Through MATC Workforce Solutions, the college provides customized and on-site training for employers and their teams.
- Milwaukee PBS is a viewer-supported service of MATC. The Milwaukee PBS stations, Channels 10 and 36, are the area's only over-the-air source for PBS and other national public television programs, and also offer a diverse schedule of their own award-winning local series and specials.

Significant Accomplishments in 2024-25

- Enrollment grew for the third straight year, up 6% in 2024-25 over the prior year. The trend continues a period of growth following a decline during the COVID-19 pandemic. MATC primarily measures enrollment by and receives its state funding based upon the number of full-time equivalent (FTE) students. To calculate the number, the college calculates all the credits students are taking and divides it by the number of credits a full-time student takes. So, one full-time student is one FTE and two students taking a "half load" of credits is also one FTE.
- In its work to become a federally-designated Hispanic-Serving Institution (HSI), the college grew the share of full-time college-level students who identify as Hispanic/Latino/a from 21.6% to 23.4%.
- The college finalized its new strategic plan with a group of students, faculty, staff and administrators guiding the process. The District Board affirmed MATC's ongoing mission and vision and the college is maintaining is core values. More on the new strategic plan will be released this summer.
- MATC provided all faculty and staff with access to Google's Gemini AI agent to incorporate AI learning into curricula as appropriate and utilize the tool to make work processes more efficient.

- Prospective students can now see specific wage and salary information for careers tied to their program on the program's page on matc.edu. The real-time labor market data comes from analytics firm Lightcast and can be adjusted to show either the local or national market.
- MATC delivered a balanced budget for the 11th consecutive year and preserved the college's Aa1 rating from Moody's for the district's outstanding general obligation unlimited tax debt.

Return on Investment

MATC contributes more than **\$1.4 billion in annual economic activity by students, alumni, faculty and staff**, according to a 2023 report from the respected labor market analytics firm Lightcast, formerly known as Emsi. Both graduates and taxpayers earn a significant return on the investment they make in MATC. The average MATC graduate with an associate degree will experience an amazing \$422,000 in higher earnings throughout their working years compared to someone with only a high school diploma or equivalent.

Society as a whole benefits from an increased economic base, raising prosperity in Wisconsin. Taxpayer investment in the college outpaces the investment, according to the report. Taxpayers also will see \$35.4 million in social savings connected to health, the justice system and lower income assistance needs, according to the report.

Strategic Plan, Mission, Vision & Values

Strategic Planning at MATC is a dynamic process that guides the future direction of the college and ensures the long-term success of our students, employees and our community. We make adjustments and updates to the operational portions of the strategic plan annually and engage in a more comprehensive process on a 5-year cycle.

In 2024-25, this comprehensive process was facilitated by our Institutional Effectiveness Division. This process, including mission and vision review, included both internal and external stakeholders:

- A Strategic Planning Steering Committee guided the process with broad, cross-functional representation, including four students.
- The planning timeline included opportunities for input from multiple stakeholder groups throughout the District.
- The District Board provided leadership in affirming the mission and vision. The Board contributed additional planning insights during a Board Retreat in February 2025.
- Specific community partners were invited to participate in a series of <u>President's</u> <u>Roundtable</u> discussions at each campus.

After drafting, editing, and revising all relevant documents, the new strategic plan is scheduled for review and approval by the District Board on May 27, 2025. Plan elements are as follows:

Mission: Education that transforms lives, industry and community

Vision: The best choice in education, where everyone can succeed

Values:

Empowerment: We support our students and employees with the skills, tools, and autonomy to succeed

Inclusion: We provide a fair and welcoming environment where all voices are heard and where all students and employees feel a sense of belonging

Innovation: We are agile and responsive to changing conditions, while anticipating future needs to best serve our students and communities

Integrity: We demonstrate honesty, professionalism, and accountability in all interactions with our students, each other, and our community partners.

Respect: We approach all interactions with openness and empathy, value different perspectives, and treat each other with civility and kindness

Strategic Priorities & Objectives:

Student Success – Our students gain the knowledge and skills to thrive.

- Deliver hands-on, transformative learning experiences.
- Elevate student involvement and sense of belonging.
- Provide student-centered, steadfast access to supportive resources.

Community Trust – Our partnerships expand regional economic opportunity.

- Strengthen career readiness and employment pathways.
- Deepen relationships with K-16 partners.
- Cultivate economic mobility.

Caring Culture – Our employees model care and professionalism in every interaction.

- Nurture employee engagement and appreciation.
- Invest in employee professional growth.
- Promote employee well-being and connectivity.

Institutional Accreditation by the Higher Learning Commission

MATC is accredited by the <u>Higher Learning Commission</u> (HLC) through the HLC Standard Pathway of Accreditation. This is one of two options institutions in good standing have for maintaining accreditation with the HLC. MATC is in year six of our 10-year accreditation cycle (2018-2028).

Criteria for Accreditation convey the standards of quality by which HLC determines whether an institution merits accreditation or reaffirmation of accreditation. *Criterion 4. Sustainability: Institutional Effectiveness, Resources and Planning* specifically requires that the college demonstrate how its resources, structures, policies, procedures and planning are sufficient to enable it to fulfill its mission, improve the quality of its educational programs, and respond to future challenges and opportunities. Specifically, this criterion requires the following sub-components:

 4.A. Effective Administrative Structures: The institution's administrative structures are effective and facilitate collaborative processes such as shared governance; data-informed decision making; and engagement with internal and external constituencies as appropriate.

- 4.B. Resource Base and Sustainability: The institution's financial and personnel resources effectively support its current operations. The institution's financial management balances short-term needs with long-term commitments and ensures its ongoing sustainability.
- 4.C. Planning for Quality Improvement: The institution engages in systemic strategic planning for quality improvement. It relies on data, integrating insights from enrollment forecasts, financial capacity, student learning assessment, institutional operations and the external environment.

The work presented in this Budget Book specifically demonstrates the commitment MATC has made to fulfill **Criterion 4** and its sub-components.

The Planning and Budgeting Process

The annual budget is a key element of MATC's planning and control system. Budgeting for all Wisconsin Technical Colleges is controlled by state statutes, MATC District Policy, and Wisconsin Technical College System (WTCS) reporting requirements. The District budget must be in the format required by WTCS. The primary objective of the budget plan is to ensure each division's goals are in alignment with the strategic goals of the College.

The budget planning process affords a challenging opportunity to reassess plans and overall goals and objectives in order to achieve the various strategic plans established by the MATC Board. The budget document communicates important information about the resources available to MATC and the utilization of those resources by the College. Much effort is made to ensure the budget plan and strategic plan are aligned in order to achieve the overall goals and objectives of the College. The planning and budgeting process included an organizational restructure to support students in their academics, reduce the equity gap, and prepare them for careers.

The annual budget process begins with a college-wide capital budget workshop. The workshop is designed to provide tools to assist budget managers in developing their capital budgets. Budget managers are informed about thresholds and accounting rules that apply to capital spending. In addition, a prioritization matrix is presented which provides the basis for evaluating capital renovation/remodeling and capital equipment requests submitted by budget managers. The criteria used in the prioritization matrix is carefully determined to assist in scoring and ranking requests for capital spending. It is designed to facilitate an objective review that gives priority to spending on current initiatives and strategic goals and targets current workforce and community demands. As part of the process, construction management conducts tours of District facilities to assess immediate needs. The prioritization matrix also requires cross-sectional areas in the College to score capital requests based on established criteria.

The budget process for the operating fund begins with a review of the current fiscal year's annual budget performance to date. A detailed review of General Fund revenues and expenditures is conducted and preliminary annual projections are estimated and compared to the current fiscal budget. Significant variances between the preliminary annual projection and current fiscal budget are evaluated to aid in understanding financial trends and to assist in developing assumptions for the forthcoming fiscal budget.

A preliminary budget is then developed based on guidelines and recommendations made during ongoing communication with the MATC Board, the MATC Budget Committee, the leadership team, administration and staff. In a collaborative effort, final assumptions are determined and approved and spending is aligned with anticipated revenues and with the District's strategic goals, mission and vision.

Operating budget workshops are held to assist departmental and divisional budget managers in preparing and submitting their discretionary budgets. During these sessions, guidelines and budget priorities are discussed and participants are able to provide feedback and ask questions about the annual plan and budget.

In May, the MATC Board reviews the draft budget and authorizes the publishing of a legal notice to hold a public hearing in June. At the hearing, the Board considers public input prior to adopting the budget. After the public hearing, the Board approves and adopts the District budget at its June meeting.

Basis of Budgeting

In accordance with the requirements of the WTCS, MATC adopts an annual operating budget which is prepared on a modified accrual basis, except that budgetary expenditures include encumbrances (commitments to expend funds entered into during the fiscal year), and all revenues and expenditures for summer sessions that cross a fiscal year are recognized in the subsequent fiscal year for budgetary purposes.

Legally Required Financial Planning Tool

The budget is a financial planning tool. It is also a statutory requirement for the College. The budget must be adopted as a balanced budget and must be in place prior to July 1 of each year. The budget is the legal authority to expend public monies and controls those expenditures by limiting the amount of the appropriations at the fund and function level. The revenues of the College are estimated along with available carry forwards to indicate funds available for use. The staffs' requests for funds represent the expenditure side of the budget.

The flowchart on the following page presents the budget process and timeline followed by MATC.

Budget Modifications

Budgets are approved by the MATC Board by fund and function. Modifications to the approved budget requiring Board action are generally considered at the Board's October, January, March, and June meetings. Management has the ability to make budget adjustments within functional categories.

These budget modifications are published in the Milwaukee Journal Sentinel in a Class I Legal Notice 10 days after the Board meeting. Under Wisconsin statutes, the Board must approve the budget modifications by a two-thirds majority.

FY2025-26 Budget Assumptions

The July 1, 2025 through June 30, 2026 (fiscal year 2025-26) budget is founded on a number of planning assumptions that were prepared by the administration with input from the Board of Directors, the President's Cabinet, the Budget Committee and college staff and faculty. Budget forecasts are developed during the budget planning process and continue to be updated throughout budget development. The District's FY2024-25 budget is based on planning inputs that reflect the following assumptions that are expected to occur.

Property Values: An increase in the operating tax levy of approximately \$1,000,000 is expected in FY2025-26 as a result of district-wide aggregate valuation increases due to net new construction.

State Aid: Revenues from state aid are budgeted to increase by approximately 4.4% in FY2025-26 compared to FY2024-25. Governor Evers is proposing an increase in state aid in the planning stages of the 2025-27 State Biennial Budget. It is important to note, however, that this proposal has not been incorporated into MATC's current budget.

Tuition and Student Fees: The Wisconsin Technical College System Board has approved a 2.24% increase in Postsecondary and Occupational tuition rates for FY2025-26. The tuition rate for Associate Degree, Adult and Occupational programs will increase from \$149.50 to \$152.85 per credit. The rates for Associate of Arts and Associate of Science (College Parallel) programs will increased from \$188.90 to \$192.20 per credit in FY2025-26. Avocational Programs tuition rates will remain unchanged at \$75.00 per credit.

Full-Time Equivalent Students: The MATC District FY2025-26 Budget anticipates a 6.4% increase in full-time equivalent students (FTE's) compared to FY2024-25's budget. The District budgeted 8,650 FTE's for FY2024-25 and is budgeting 9,200 FTE's for FY2025-26.

Health Insurance: For FY2025-26, the current estimated increase for the District's total calendar year health plan(January 2026 - December 2026) is 11.7%. This calculation includes both a medical trend of 6.6% and pharmacy trend of 11.3%. The anticipated forecast of an 11.7% increase is significantly based upon the current loss ratio. For the fiscal year ending June 2025, the loss ratio from July 2024 - April 2025 is approximately 108.6%. In addition, the estimate of 11.7% includes a stop loss increase for Milwaukee estimated at 60%. The July 1, 2025 stop loss premium renewal was 52.4% overall for WTCEBC (with no change to the deductible or aggregating spec), approved by the WTCEBC Board of Directors on May 15, 2025. This increase was driven by less favorable large claim experience than prior claims history. Depending upon the final decision made, this could reduce the 11.7% increase by 0.5% to 11.2%. Final FY2025 rate estimates will be provided in August 2025 using data through June 2025.

Federal and State Grants & Projects: An increase of approximately \$1.4M in operating revenue is anticipated in FY2025-26. This is attributable to two federal subawards: one from Madison College for the Actualizing Biohealth Career Pathways grant (U.S. Department of Commerce) and another from the University of Wisconsin-Milwaukee for the Industrial Assessment Consortia grant (U.S. Department of Energy).

Workforce Solutions: Contracts with business and industry are expected to produce a revenue neutral or slight increase from FY2024-25 as a result of economic and political uncertainty. Technical skills attainment remains important, there is a growing emphasis on continuous improvement, LEAN Six Sigma training and soft skills utilizing the emotional intelligence, change management, and frontline (emerging) leadership. Thus our focus will be on short-term training programs (utilizing the above) to ensure employees can navigate complex interpersonal dynamics and lead effectively.

Fund Balance: The MATC District FY2025-26 budget anticipates an ending operating fund balance of 21.29% of total revenue which is above the MATC District board's policy range of 10-15% of total revenue.

FY2025-26 Enrollment Assumptions

As an institution of higher education, MATC's budget is most directly linked to the students and incumbent workers enrolling in MATC courses. As a consequence, MATC devotes significant energy to forecasting enrollments. Among the considerations:

- Technical Diploma, Associate Degree and College Transfer students will continue to generate the most significant proportion of college full-time equivalent students (FTEs).
- Historically an increased unemployment has been an indicator of future increases in enrollment. The regional initial unemployment claims increased by 6% from the previous year. This could yield a slight increase in enrollment at MATC.
- Based on Wisconsin Department of Public Instruction (DPI) statistics, 12th grade enrollment at Milwaukee high schools increased 3% from the previous year. This could yield a slight increase in enrollment at MATC.
- Post COVID-19 (2020), many community and technical colleges have seen sustained enrollment in online education (online, virtual, and hybrid). These instructional modalities have remained attractive to our predominantly part-time and working student population.
- Increased student support services, flexible payment options, internships, and increased student communications through the utilization of the Guided Pathway model, EAB Navigate, and EAB Moonshot is expected to contribute to obtaining the FTE goal.
- Beginning in spring 2025 and continuing through fiscal year 2025-26, the college will hold a series of sessions called Express Enrollment, as well as expanded Registration Jam events for high school seniors. These sessions are expected to contribute to obtaining the FTE goal.
- Net FTEs for FY 2025-26 are estimated to be approximately 9,200.

FY 2025-26 Program Assumptions

During Fiscal Year 2025-26 MATC has identified academic areas to expand and develop in order to meet current and evolving local and regional economic and workforce needs, educational and employment training trends, and overall technology changes.

Over the course of the 2024-25 year, the academic leadership assessed and reorganized units to align our academic work. As a result, this area honed and reset expectations for the delivery of a semester -based student course schedule, reassessed the amount and expectations of lead faculty in non-teaching roles, realigned efforts in the library and academic support to focus on direct student support, aligned faculty professional development alongside the Center for Teaching Excellence to guide support for faculty in their key role – teaching, and redeveloped the academic/program viability process. Among our responses to these demands the Academic Services unit will:

Provide top quality education and academic support

- Ensure heightened support for the West Allis Campus that: emphasizes growth and development in Funeral Services programs, allowed planning to move the Medical Assistant program from downtown to (WA), and ensures direct in-person support for one of our largest online pathways (Business).
- Ensure appropriate academic program development at the Mequon Campus that: continues to support growth in our Enhanced Yoga program, solidifies the Aesthetician program in their lab/spa space, and ensures finalization and opening of the expanded Respiratory Therapy program.
- Ensure appropriate academic and student services development at the Oak Creek Campus that: allows for growth in the Police/CJS program, potential expansions for additional Health Care programs, and appropriate realignment of spaces for growth in our Manufacturing, Construction, and Transportation pathway.
- Increase appropriate accessibility to education through flexible learning opportunities and class scheduling modalities. The upcoming year will focus on the balancing between appropriate direct in-person instruction and/or direct virtual course instruction. Provide and expand virtual services to complement existing inperson services.
- Monitor student success and retention throughout the student life cycle that considers a student-centric, case management, and holistic coordinated care (HCCN) approach.
- Improves student learning outcomes at a course, program, and institutional level such that career essentials are clearly identified, measured, and our students demonstrate them when they emerge into the world of work.
- Actively invest in opportunities for the expansion and access to dual enrollment, for GED students, HSED students, and for MATC Adult High School students.
- Clarify and hone all transfer and articulation agreements with our four-year partners.
- Expand access to postsecondary education for students who are currently incarcerated, including support for those who are in the process or have recently re-entered from the carceral state.
- Utilizing our newly revamped academic program review/vitality process, explore and develop new and evolving programs to support local and regional labor market needs.

FY 2025-26 Program Assumptions (cont.)

- Continue to create opportunities for District residents to have greater access to top quality programs in high pay and high demand areas.
- Expand community and business partnerships to meet the regional workforce growth and evolving needs.
- Clarify and support bilingual students through services and support.
- Clarify and increase the number of students transitioning from community education programs into pathway programs through to employment.

Promote professional development opportunities and innovations

- Offer training and support to students, faculty, and staff to effectively function in dynamic and changing environments.
- Clarify the necessity of appropriate, timely, and responsive instruction that meets the needs of students throughout the district.
- Support staff and student well-being. Promote a culture of belonging, diversity, equity and inclusiveness and offer courses and services accordingly.
- Appropriately collaborate with the areas of community impact and human resources to provide collegewide training and education in; leadership, management, human-centered decision-making, and customer-focused support.

Promote educational and community innovations

- Invest in innovations to honor students' lifelong experiences and provide credit for prior learning experience (CPLE) options.
- Increase and utilize Artificial Intelligence (AI) -- like ChatGPT, virtual reality, universal accessibility resources, social media platforms -- into everyday teaching and learning in a manner that is not diminishing of the student and seeks to incorporate learners in the 21st century.
- Utilize predictive analysis to better understand student and community learning and employment needs through student outcomes assessment and through course-taking behaviors.
- Recognize changing demographics and make the needed adjustments to maximize return on investment (ROI)
- Explore new community and employer partnerships, and funding sources, to support and enhance student access, retention, graduation, new program development and program equipment.
- Enhance college affordability by reducing student debt, decreasing the cost of education by making strategic investments in Open Educational Resources (OER), and free or low-cost digital textbooks.
- Promote alternative & stackable credentials including micro-credentialing, digital badging, short-term certificates and technical diplomas; and ensure alignment between non-credit to credit such that students can utilize those resources in their current program, but also for the future.

Internal Controls

The Management of the District is responsible for establishing and maintaining an internal control structure designed to ensure that the assets of the College are protected from loss, theft, or misuse and to ensure that adequate accounting data is compiled to allow for the preparation of financial statements in conformity with generally accepted accounting principles. The internal control structure is designed to provide reasonable, but not absolute, assurance that these objectives are met. The concept of reasonable assurance recognizes that: (1) the cost of a control should not exceed the benefits likely to be derived; and (2) the valuation of costs and benefits requires estimates and judgments by management.

As a recipient of federal, state and local financial assistance, the College is also responsible for ensuring that an adequate internal control structure is in place to ensure and document compliance with applicable laws, regulations, contracts and grants related to these programs. This internal control structure is subject to periodic evaluation by management and the external auditors.

Cash Management

Cash management and investment strategies have been developed to limit risk while receiving a competitive yield. We believe that a diversified approach enhances the security of the District's deposits and investments. Liquidity shall be assured through matching investment maturities with anticipated cash flows. Default risk will be controlled by the use of collateralization, registration, and insurance. In addition, the following specific controls will be observed:

• Maturities of certificates of deposit shall be one year or less.

- Maturities of bonds or securities of the federal government and its agencies shall be limited to one year or less.
- Maturities of securities with the highest rating shall be one year or less.
- All deposits will either be insured or collateralized with pledged collateral secured through third-party safekeeping and custody.
- The District's banking services will be competitively bid at least every five years.
- The District's investments will be reported to the District Board on a regular basis.

The investment policy limits investments to the following:

- Bonds or securities issued or guaranteed as to principal and interest by instrumentality of the federal government.
- Insured or collateralized certificates of deposit.
- Wisconsin School District Liquid Asset Fund.
- Local Government Investment Pool.
- Wisconsin Cooperative Liquid Asset Security System (CLASS).
- Wells Fargo Public Funds Premium Market Rate Account.
- Repurchase agreements that comply with statutory requirement are documented by a written agreement and are fully collateralized.
- Any security with the highest or second highest rating category assigned by Standard & Poor's Corporation, Moody's Investors Services, or other similar nationally recognized rating agency or if the security is senior to, or on a parity with, a security of the same issue which has such a rating.
- Other prudent investment approved prior to purchase by the Board, conforming to sec. 66.04(2) of the Wisconsin Statutes.

Debt Management

In December, 2017, Moody's Investors Service upgraded the District's credit rating from Aa2 to Aa1. The upgrade reflects the District's improved financial position strengthened by consecutive operating surpluses and a one-time cash infusion in July, 2017 resulting from the Districts voluntary participation, as license holder for Milwaukee PBS, in the Federal Communications Commission's (FCC) broadcast incentive auction. The earnings from the proceeds of this auction continue to provide funding for several core District priorities. The upgraded rating reflects the expectation that District management will continue to maintain sound financial operations through prudent management of expenditures, which is critical given the District's limited revenue raising flexibility and recent trend of enrollment declines. The District's FTE enrollment in the current year (FY24-25) has increased over last year (FY23-24) due to multiple efforts and initiatives undertaken by the college. The rating also incorporates the District's large and diverse tax base encompassing the greater City of Milwaukee region, relatively weak socio-economic indices, limited revenue raising flexibility, modest debt burden, and manageable pension liabilities. The District's debt burden remains at manageable levels with modest future borrowing needs and rapid principal amortization. The District utilizes a financial advisor to structure financings, watch for refunding opportunities, work with the rating agencies, market the notes, and to fulfill filing requirements. A bond counsel is obtained for drafting resolutions authorizing and awarding the sale of notes along with the associated documents needed to sell the notes.

Risk Management

The District maintains a risk management program which includes a comprehensive insurance program designed to meet the College's needs, and an independent risk management and insurance consulting firm retained to assist in the College's risk management program.

Balanced Budget

State statute mandates that the District prepare an annual budget. The District Board of Directors controls budget levels through its guidelines that limit the growth rate of the District's tax levy each year. District staff must present to the District Board a balanced budget that meets all budget guidelines. The budget is balanced when revenues plus other sources equals expenditures plus other uses.

Capital Assets

The District's capital assets are accounted for in the General Capital Assets Account Group. The assets related to activities accounted for in all funds are reported in the General Capital Asset Account Group.

Capital assets are classified in five categories: construction in progress, land, land improvements, buildings and building improvements, fixed and moveable equipment. All capital assets other than construction in progress and land are depreciated on a straight-line basis. Construction in progress and land are depreciated of a straight-line basis.

Costs for any item, unit or set are purchased through the Capital Projects Fund if they are valued at \$5,000 or more and have a useful life of two years or more. Also capitalized are items that add value to a capital asset, prolong the useful life of a capital asset for more than two years, or adapt a capital asset to a new or different use. Any of these items that cost \$5,000 or more are transferred to a capital asset ledger and depreciated.

Fund Balance

The District Board has established a goal of maintaining a fund balance designated for operations between 10 and 15 percent of budgeted general fund revenue. At June 30, 2025, the fund balance designated for operations is projected to be at 21.46 percent.

Annual District Audit

Annually, the District is required to undergo an audit of its accounting records and financial statements. Upon completion, the auditors present the audit report and management letter to the District Board for examination and appropriate action. The last audit of the District was completed on December 11, 2024, for the fiscal year July 1, 2023 to June 30, 2024. The result was an unmodified opinion; that is, the auditors found the financial statements fairly represented the financial position of the District.

In addition, an audit of all federal and state financial assistance is performed in accordance with the Single Audit Act of 1996, OMB Circular A-133 Compliance Supplement, and Government Audit Standards. The single audit of federal and state financial assistance for the year ended June 30, 2023, also received an unmodified opinion. The auditors found no instances of noncompliance that are required to be reported under Government Auditing Standards.

Major Categories of Revenues and Expenditures

Revenues

MATC has a diversified funding base composed of property taxes, state aid, student fees, state and federal grants, and institutionally generated revenues. This diversity of revenue sources, the strength of our local economy and competent financial management continues to provide the resources required to fulfill its mission now and in the future.

- 1. Property Taxes and Act 145 Funding The major source of revenue for MATC is the local property tax levy. Historically, each of the WTCS districts have been restricted as to how much property tax they could levy by a mill rate. In past years all technical colleges in the state had been limited by statute to an operating property tax mill rate of \$1.50 per thousand (or 1.5 mills) of the district's equalized property valuations, which is referred to as the operational mill rate. Beginning in FY2013-14, under 2013 Wisconsin Act 20, the mill rate limit was changed to cap it at the operational levy at 2013 levels. Under Act 20, WTCS districts were prohibited from increasing their operational levy in 2013, or any year thereafter, by a percentage greater than the district's January 1 equalized value resulting from the aggregate new construction in the district. Beginning in FY2014-15, under 2013 Wisconsin Act 145, the Act 20 levy limit was replaced with a revenue limit. Act 145 shifted a portion of funding for technical college districts in the State from property taxes levied by the districts to a State aid payment by replacing approximately \$60.4 million (for the MATC district) of property tax levies with a State payment beginning in 2015. Under Act 145, each district is prohibited from increasing its revenue in any year by a percentage greater than the district's valuation factor, or the sum of the tax levy and state property tax relief aid. There is no statutory limitation for taxes levied for debt service costs. The debt service mill rate is added to the operational mill rate to get a total mill rate amount for the year. In 2021, the Joint Committee on Finance passed a motion to increase WTCS's \$406 million Property Tax Relief Aid appropriation by \$29 million in FY2021-22, and another \$43 million in FY2022-23. The MATC District's statutory payment increased from \$60.4 million to \$64,7 million in FY22, and to \$66.8 million in FY23. It will remain the same in FY25 and FY26. The increased Property tax Relief Aid reduces the college's Operating Levy by the same amount. The Budget Bill passed both houses of the Legislature and was signed by the Governor.
- 2. <u>State Revenue</u> The Governor's 2013-2015 Budget Bill introduced a new funding method for State Revenue. Historically, the amount of funding received is calculated based upon a formula, which is based on both expenditures and students served. There are three factors taken into consideration in the calculation of State Revenue; the number of FTE's, the increase in district equalized property value and the amount of money spent per each FTE. Effective in fiscal year 2014-15, the Governor's proposal phased in outcome-based funding over three years. The budget contains ten general

criteria of which seven must be selected by each individual district to be used in developing the outcome-based funding formula:

Major Categories of Revenues and Expenditures (Cont.)

- 1. Placement rate of students in jobs related to students' program of study
- 2. Number of degrees and certificates awarded in high-demand fields
- 3. Transition of adult students from basic education to skills training
- 4. Number of programs or courses with industry-validated curriculum
- 5. Participation in dual enrollment programs
- 6. Workforce training provided to businesses and individuals
- 7. Number of adult students served by basic education courses, adult high school, or English language learning courses, courses that combine basic skills and occupational training as a means of expediting basic skills remediation, and the success rate of adults completing such courses
- 8. Participation in statewide or regional collaboration or efficiency initiatives
- 9. Training or other services provided to special populations or demographic groups that can be considered unique to the district
- 10. Credit for relevant educational experience or training not obtained through an institution of higher education, including skills training received during military service.

The District also receives grants from the State for the development of new programs and specific projects such as workplace literacy, minority recruitment and retention, displaced homemakers, and the visually impaired.

- 3. <u>Federal Revenue</u> The District receives and accounts for funding provided to students through the Federal Pell Grant Program, as well as Federal Work Study Program (FWSP), and the Federal Supplemental Educational Opportunity Grant Program (FSEOG). Also included are federal grants for specific projects such as Adult Education and Family Literacy Act (AEFL), Carl Perkins Vocational Education Act and the Department of Labor.
- 4. <u>Student Fees</u> Fees are collected from students for tuition, materials, and miscellaneous items. Tuition and material fee rates are set annually by the WTCS based upon estimated total operating expenditures of all districts. Miscellaneous items include non-resident and out-of-state tuition, community service course fees, testing fees, application fees, and graduation fees.

Major Categories of Revenues and Expenditures (Cont.)

- 5. <u>Other Institutional Revenue</u> These revenues are generated by business and industry contracts (38.14 contracts) for customized instruction and technical assistance. Also included are technical preparation contracts (118.15 contracts), interest or investment earnings, and the revenue from enterprise activities. MATC is working towards expanding the use of individual contracts (38.24 contracts) to increase the amount of revenue brought in by the College.
- 6. <u>Auxiliary Enterprise</u> This category includes revenues received for commercial type services. These activities enrich the educational experience but are deemed by WTCS to be outside the normal activities of the technical college. Included are Campus Book Stores, Food Service Activities and Child Care Centers. Public Service revenues are also included in this category, which exclusively represents Milwaukee Public Television revenues. Also included here are self-funded insurance proceeds for employee health and dental claims.

Expenditures

Expenditures are classified by function as required by the Wisconsin Technical College System Board. This allows us to provide detail of our primary activity—instruction.

- Instruction This function includes faculty salaries, instructional materials, academic administration, related clerical support, and other activities that are directly related to the teaching of students in their educational program. All of our Academic & Career Pathway: Creative Arts, Design & Media, Community & Human Services, Business & Management, General Education, Healthcare Services, Manufacturing, Construction & Transportation and STEM are accounted for in this category. This function also includes programs for the improvement of educational methods for teaching and learning.
- Instructional Resources This function includes those activities that directly support the teaching and learning process. It includes the libraries, the faculty resource center, multi-media and audio visual aids, instructional resources administration, and clerical support.
- <u>Student Services</u> Included in this function are those activities that provide support for students. It includes recruitment, admissions, registration, assessment, counseling, career planning, health services, and the related administration and clerical functions.

Major Categories of Revenues and Expenditures (Cont.)

- <u>General Institutional</u> This function includes those services that support the entire college. Examples of these areas would be information technology, human resources, printing services, affirmative action, general liability insurance, and marketing and public relations, as well as the business and general administration offices.
- <u>Physical Plant</u> Included here are all the services required for the operation and maintenance of the physical facilities. It includes maintenance, utilities, public safety, construction services, purchasing, and receiving.
- 6. <u>Auxiliary Services</u> This function includes commercial type activities. It comprises operating costs for MATC Campus Book Stores, Food Service Activities and Child Care Centers. Costs of providing goods or services for these activities to students, district staff, faculty, or the general public are recovered primarily through user charges and are deemed by the WTCS to be outside the normal activities of the technical college. Also included here are self-funded insurance charges for employee health and dental.
- 7. <u>Public Service</u> Included here are services that provide general public benefit. Milwaukee PBS's operating expenditures are included in this function.
- 8. <u>Planned Cost Savings</u> This category includes an estimation of projected realizable savings from vacant full-time positions. Determinations were based on college strategic needs assessment, as well as considerations relating to historical time taken to fill open positions.

Description of Basis Accounting

Generally Accepted Accounting Principles – Financial Statements

Basis of accounting refers to when revenues and expenditures or expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurement made, regardless of the measurement focus applied.

Under generally accepted accounting principles (GAAP), the governmental funds (General, Special Revenue, Capital Projects, and Debt Service) are accounted for on the modified accrual basis. Under the modified accrual basis of accounting, transactions are recorded in the following manner:

- 1. Revenues are recognized when they become measurable and available (susceptible to accrual). All revenues are considered susceptible to accrual except summer school tuition and fees.
- Expenditures are recognized when the liability is incurred, except for interest and principal on general long-term obligation debt, which are recognized as expenditures when due. Expenditures for claims and judgments are recognized when it becomes probable that an asset has been impaired or a liability has been incurred.
- 3. Expenditures for compensated absences, including vacation and sick leave, are recognized when the liability is incurred for past services of an employee that vest and accumulate.
- 4. Expenditures for capital assets are recognized as capital outlay at the time of purchase.
- 5. Proceeds of general long-term obligations are treated as a financing source when received.

The Enterprise Fund is accounted for on an accrual basis, whereby revenues are recognized when measurable and earned and expenses are recorded as liabilities are incurred, and where applicable, depreciation expense is recorded.

Governmental Accounting Standards Board (GASB) Statement No. 20 provides that Proprietary Funds may apply all GASB pronouncements, as well as the following pronouncements issued on or before November 30, 1989, unless those pronouncements conflict with or contradict GASB pronouncements: statements and interpretations of

Description of Basis Accounting (Cont.)

the Financial Accounting Standards Board (FASB), Accounting Principles Board (APB) opinions, and Accounting Research Bulletins (ARB's) of the Committee on Accounting Procedure. MATC has elected to apply only those FASB, APB, and ARB pronouncements issued on or before November 30, 1989.

MILWAUKEE AREA TECHNICAL COLLEGE DISTRICT Taxes on \$100,000 House

It is important to note that the 2013 Wisconsin Act 145 (the "Act") was signed into law by Wisconsin's Governor on March 24, 2014. The Act shifted a portion of funding for technical college districts in the State from property taxes levied by the districts to a State aid payment by replacing approximately \$60.4 million (for the MATC district) of property tax levies with a State payment beginning in 2015. In 2021, the Joint Committee on Finance passed a motion to increase the WTCS Property Tax Relief Aid appropriation by \$29 million in FY2021-22 and \$43 million in FY2022-23. The college's operating levy was reduced by the same amounts. Years 2014 through 2024 represent actual amounts on a budgetary basis, 2025 is estimated based on current financial projections, and 2026 is the proposed budget. The final tax levy will be set in October, 2025.

Combined Funds Budget Analysis – Resources

The combined budget for MATC consists of seven separate fund budgets. Given that a number of funds—i.e. Debt Service, Internal Service and Enterprise—are related to functions quite independent from the general operating activities of MATC, a fund-by-by fund presentation and analysis is presented in Section II of this budget document.

MATC's FY2025-26 combined budget reflects anticipated total revenues of \$355,185,668. Total revenues in all funds are expected to increase by \$15,847,147 or 4.7%. In addition, the District anticipates borrowing of \$44,000,000 in FY2025-26. Proceeds from the sale of bonds will be used to fund capital renovation and remodeling projects and capital equipment purchases. Tax levy, state aid, student fees and institutional revenues are expected to increase along with federal revenue, CPB grant revenues and auxiliary revenues.

Tax Levy

The municipalities in the MATC District will provide \$52,602,977 in operating tax levy and \$43,500,000 in debt service tax levy to support operations and debt service requirements. Overall funding from these sources is anticipated to increase by approximately 1.1% compared to FY2024-25, reflecting increases in the District's equalized value from net new construction. The tax levy comprises 27.06% of the total revenue budget.

State Aid

General State Aid is allocated to the District from a fixed pool of state revenue to WTCS colleges. In accordance with the statutory funding framework, 70% of general state aid is shared among the 16 technical colleges based on a formula of FTE's (Enrollment), the cost of providing education, and Equalized Property Tax Values in the technical college districts. Under statute, 30% of general state aid is shared based on an outcome-based formula. In FY2025-26, the MATC District expects to receive approximately \$13.9 million of formula-based aid and \$3.1 million of outcome-based aid. MATC will also receive \$66.8 million of property tax relief aid under Wisconsin Act 145. WTCS State Grants provide an additional source of state revenue to MATC and support targeted programs within the Wisconsin technical colleges. MATC expects a decrease in WTCS General Purpose Revenue grant funding of approximately \$206,711 in FY26 compared to FY25. These state funds are made available based on eligibility requirements and funding availability.

Total state aid is expected to remain relatively flat compared to FY2024-25's budget, though there are several offsetting factors. The operating fund shows anticipated state aid increases due to 6.4% growth in student FTEs, along with corresponding increases in state financial aid funding directly tied to these higher enrollment numbers. However, these increases are counterbalanced by a relative decline in WTCS General Purpose Revenue grant funding, specifically relating to the conclusion of a significant FY25 state grant award that supported the expansion of the Dental Hygiene Program. State aid comprises 27% of the total revenue budget.

Student Fees

Student tuition and fees charged by MATC are set by the Wisconsin Technical College System (WTCS). Student fee revenue includes program fees, material fees, and other student fees. Tuition and fees are the same at all the technical colleges in the WTCS system. The Wisconsin Technical College System Board has approved a 2.24% increase in Postsecondary and Occupational tuition rates for FY2025-26. The District is budgeting a 10.7% increase in total Student Fees in FY2025-26 compared to FY2024-25 due to a 6.4% increase in budgeted full-time equivalent students (FTE's) in FY2025-26 compared to FY2024-25. The District budgeted 8,650 FTE's for FY2024-25 and is budgeting 9,200 FTE's for FY2025-26. In total, student fees revenue comprises 13.4% of the total revenue budget.

Institutional Revenue

MATC also receives other revenues from Workforce Solutions contracts, interest income, miscellaneous fees and institutional grants. In total, MATC expects to receive approximately \$17.8 million in Institutional Revenue in FY2025-26. This represents an increase of 14.3% compared to the District's FY2024-25 budget. The increase is primarily due to an increase in interest income revenues for the district.

Federal Revenue

Federal revenue is expected to increase by 22.6% in FY2025-26 compared to FY2024-25, driven by higher federal financial aid funding from growth in student FTEs, along with two significant federal subawards: the Biohealth Career Pathways grant through Madison College and the Industrial Assessment Consortia grant through UW-Milwaukee.

Auxiliary Enterprise

Auxiliary Enterprise revenue is projected to increase by 2.7% in FY2025-26, reflecting higher business volumes in food service, child care, and bookstore operations due to anticipated growth in student FTEs.

Combined Funds Budget Analysis - Expenditures

MATC's FY2025-26 combined budget reflects anticipated total expenditures of \$422,873,025. Total expenditures in all funds are expected to increase by \$9.4 million or 2.4%.

The combined budget displays institutional expenditures within seven functional categories. This is a uniform classification required the Wisconsin Technical College System (WTCS) and is part of the Federal IPEDS (Integrated Postsecondary Education Data System) reporting system.

The MATC's expenditures are reported by functional categories: Instruction, Instructional Resources, Student Services, General Institutional, Physical Plant, Auxiliary Services and Public Services.

Instructional

Anticipated Instructional expenditures of \$123,829,152 reflect an increase in spending of 4.1%.

Instructional Resources

The FY2025-26 budget for Instructional Resources of \$5,759,727 reflects an increase in spending of 2.1% on instructional support activities such as library, academic support centers, audio visual services and distance learning support.

Student Services

Spending for services provided to students is expected to increase by 12.3% to \$75,608,939 in FY2025-26. This Student Services expenditure budget covers services such as recruitment, admissions, registration, advising and financial aid.

General Institutional

Expenditures made for services that benefit the entire College are expected to increase by 3.0% to \$27,384,442 in FY2025-26.

Physical Plant

The District's FY2025-26 budget anticipates an overall decrease of 3.7% on expenditures made for physical plant and for services required for the operation and maintenance of the physical facilities, remodeling, and principal and interest payments on general obligation bonds issued to fund capital equipment and capital renovation and remodeling projects.

Combined Funds Budget Analysis – Expenditures (Cont.)

Auxiliary Services

Auxiliary Services expenditures are expected to increase by a slight .8% in FY2025-26.

Public Services

Public Service expenditures are expected to increase by 1.1% in FY2025-26.

Planned Cost Savings

MATC has set an open positions saving goal of approximately \$6.5 million for FY2025-26. This cost-savings measure is intended to help the College manage financial uncertainties.

The college will use enrollment data to inform whether funding exists to allow the college to fill critical positions.

FY 2025 - 26 Activity Plan and Budget

Description of Fund Balance Reserves

Reserve for Capital Projects – A reserve of a portion of the fund balance to provide for appropriations approved in prior budget periods, but programmed for expenditures in future accounting periods. The Reserve for Capital Projects is estimated to be \$24,988,858 at June 30, 2025, and \$3,988,585 at June 30, 2026. The limit on this reserve is the total resources provided in the Capital Projects Fund.

Reserve for Debt Service – A reserve of the fund balance to provide for appropriations approved in prior budget periods, but programmed for expenditures in future accounting periods. At June 30, 2025, the Reserve for Debt Service is estimated at \$27,201,563 and is planned to decrease to \$25,150,856 during the next year. The limit on this reserve is the total resources provided in the Debt Service Fund.

Reserve for Student Financial Assistance – A reserve of the fund balance resulting from student financial assistance programs. At June 30, 2025 the Reserve for Student Financial Assistance is estimated at negative \$1,681,840 and at negative \$1,681,840 at June 30, 2026. The limit on this reserve is the total resources provided in the Financial Aid Fund.

Designated for Self-Insurance – A designation of fund balance has been established to provide a reserve between the budgeted expenditures and individual limits for stop loss coverage. At June 30, 2025 this amount is estimated at \$4,204,251. The amount may be modified by specific Board action.

Designated for Operations – A designation of a portion of fund balance to provide for fluctuations in operating cash balances and operating revenue amounts. At June 30, 2025, the General Fund Reserve is estimated to be \$39,898,452 or 21.46 percent of operating revenue. The Special Revenue Fund Reserve is estimated to be \$727,725 or 7.29 percent of operating revenue at June 30, 2025. In FY25-26 the balance in the General Fund Reserve is planned to remain at \$39,898,452 and the ratio of the General Fund Reserve to operating revenue is estimated to be 21.29 percent for 2026.

Reserve for Prepaid Expenditures – A reserve of a portion of the fund balance for prepaid expenditures; that is, monies paid in the current year, but the related expenditures are to be charged to a future accounting period. At June 30, 2026, the Reserve for Prepaid Expenditures is estimated at \$300,000 for the General Fund and is not planned to change significantly during the next year. The limit on this reserve is the total amount of prepaid expenditures.

GENERAL FUND

The General Fund is the primary operating fund of the District, and its accounts reflect all financial activity not required to be accounted for in another fund.

General Fund

Fund Description

The General Fund is used to account for all financial activities except those required to be accounted for in another fund. This fund is used to record the current operations of the district. In developing the FY2025-26 budget, the most probable projections were used.

General Fund Analysis

Revenues

Total General Fund revenues are expected to increase by 3.0% compared to FY2024-25's budget.

- A 1.9% increase in the **Operating Tax Levy** is anticipated due to aggregate net new construction in the District. The municipalities in the MATC District are expected to provide \$52,602,977 in operating tax levy. Local Government funding is expected to provide 28.37% of total General Fund revenues in FY2025-26.
- The FY2025–26 General Fund budget projects an approximate 4.4% increase in general State Aid, totaling \$826,789, compared to FY2024–25. This anticipated increase is primarily attributable to a 6.4% rise in budgeted full-time equivalent positions (FTEs), increasing from 8,650 in FY2025 to 9,200 in FY2026—a net gain of 550 FTEs. The anticipated state aid increase to technical colleges is being proposed by Governor Evers in the planning stages of the 2025-27 State Biennial Budget. It is important to note, however, that this proposal has not been incorporated into MATC's current budget.
- During FY2024-25 MATC received \$66,814,523 in state funding from Wisconsin Act 145. This amount will stay the same in FY2025-26.
- MATC's General Fund FY2025-26 budget for Student Tuition and Fees is estimated at \$42,314,900. WTCS has approved increases of 2.24% in tuition rates for Associate Degree and Vocational Programs for FY2024-25. A smaller increase of 1.75% was approved for College Parallel Programs (Associate of Arts and Science). The total tuition budget will increase by 9.5% (from \$38,656,500, to \$42,314,900) due to WTCS tuition increases and the budgeted increase in FTEs of 550 FTEs.
- MATC also receives other revenues from contract work, interest income and miscellaneous fees. In FY2025-26 MATC is budgeting \$6,079,843 in Institutional Revenue. This is a 3% increase compared to FY2024-25. This increase is primarily the result of contracted instruction income. Interest and rental income are also expected to increase slightly in FY26.
- Federal Revenue is expected to remain flat in FY2025-26.

Expenses

Total General Fund expenses are expected to increase by 2.2% compared to FY2024-25's budget. MATC's budget is primarily labor and labor-related expenses.

Salaries

- Milwaukee Area Technical College (MATC) estimates that total wages and salaries for budgeted positions will amount to approximately \$122.4 million in FY2025–26. The District remains actively engaged in collective bargaining with Local 212, WFT, AFL-ClO, regarding one-year agreements limited to the subject of base wages, as defined under Sections 111.70(4)(mb) and (mbb) of the Wisconsin Statutes.
- Overall, salaries expense is expected to increase in FY2025-26. The MATC's salaries budget includes an estimated provision for a planned increase.
- MATC has set a positions saving's goal of approximately \$6.5 million for FY2025-26.

Fringe Benefits

Fringe benefits—including health, dental, life, and long-term disability insurance, as well as FICA taxes and pension contributions—are expected to decrease slightly in FY2025–26. This reduction is attributed to the anticipated renewal of the employee benefits plan, which is projected to generate potential savings of approximately \$1.7 million.

- Overall, fringe benefits are budgeted at approximately \$42 million in FY2025-26.
- For FY2025-26, the current estimated increase for the District's total calendar year health plan (January 2026 December 2026) is 11.7%. This calculation includes both a medical trend of 6.6% and pharmacy trend of 11.3%. The anticipated forecast of an 11.7% increase is significantly based upon the current loss ratio. For the fiscal year ending June 2025, the loss ratio from July 2024 April 2025 is approximately 108.6%. In addition, the estimate of 11.7% includes a stop loss increase for Milwaukee estimated at 60%. The July 1, 2025 stop loss premium renewal was 52.4% overall for WTCEBC (with no change to the deductible or aggregating spec), approved by the WTCEBC Board of Directors on May 15, 2025. This increase was driven by less favorable large claim experience than prior claims history. Depending upon the final decision made, this could reduce the 11.7% increase by 0.5% to 11.2%. Final FY2025 rate estimates will be provided in August 2025 using data through June 2025.

 Employee contributions to MATC's low deductible plan remain at 12.5% for the 2025 calendar year. The base employee contribution on the high deductible plan remains at 11.5%. The District will continue to offer a Health Saving Account (HSA) contribution in FY 2025-26 for full time employees enrolled in the high deductible plan. For those with Employee only coverage, MATC deposits \$100 per month into their HSA; for those with Employee plus one or family coverage \$200 per month is deposited.

Non-Salary Non-Benefit Discretionary Expenses

 MATC's FY2025-26 budget reflects an increase of 0.8% in Non-Salary Non-Benefit Discretionary expenses. MATC Budget Managers developed departmental and divisional discretionary budgets using a decentralized approach to allow for transparency and to ensure that resources are allocated in a manner that best meets the needs of the community. The slightly higher request for program expenses are due to continuing inflation in the last year.

SPECIAL REVENUE FUND

The Special Revenue Fund is used to account for the proceeds of specific revenue sources (other than debt service or major capital projects) that are restricted to expenditures for designated purposes because of the legal or regulatory provisions. MATC has two special revenue funds:

Operating fund – The operating fund is used to account for the proceeds from specific revenue sources other than non-aidable funds that are legally restricted as to expenditures for specific purposes.

Non-aidable fund – The non-aidable fund is used to account for assets held by the District in a trustee capacity, primarily for student aids and other student activities.

Special Revenue Fund—Operational (Federal and State Funded Projects)

Fund Description

The Special Revenue Fund is used to account for the proceeds and related financial activities of specific revenue sources that are legally restricted to expenditures for specified purposes. All project expenses with the exception of equipment purchases are accounted for in the Special Revenue Fund. Grant funded equipment purchases are accounted for in the Capital Projects Fund.

Special Revenue Fund – Operational

Activities

The anchors of federal funding received from the Wisconsin Technical College System (WTCS) are the Adult Education and Family Literacy (AEFL) Act and Carl D. Perkins IV Vocational and Technical Education Act (Perkins IV).

AEFL's focus is to address the basic skills deficiencies in Wisconsin which are significant and constrain labor market development. MATC uses AEFL funds to provide adults with the language arts, reading, math and/or English language acquisition skills needed for students to retain, make grade level increase, and to obtain employment or upgrade their employment skills.

The purpose of Perkins IV is to develop more fully the academic, career, and technical skills of secondary and postsecondary students who elect to enroll in career and technical education programs. The college's Perkins IV grants focus on student success, academic program improvement, nontraditional occupations and career preparation activities in partnership with local high schools.

The college also receives General Purpose Revenue grants from the WTCS under a variety of funding categories including Professional Growth, Core Industry, Career Pathways, Completion, Developing Markets, IET Development and Expansion, Student Emergency Assistance, State Leadership and Workforce Advancement Training.

The U.S. Department of Education funds the CCAMPIS (Child Care Access Means Parents In School) project which is intended to provide extended child care to allow study time for studentparents and provide quality, affordable, and accessible childcare services to help ensure they remain in school, complete courses, and successfully complete their programs.

The following graph shows the major components of the Special Revenue Fund. Federal Grants (AEFL, Voc Ed and other Federal) make up over 50% of the Special Revenue Fund where State Grants make up only about 17%.

| Grants by Source | Percent of Total | Revenue |
|-------------------------|------------------|------------|
| State | 17% | 2,249,098 |
| AEFL | 8% | 1,051,488 |
| Voc Ed (Perkins) | 21% | 2,770,220 |
| Other Federal | 20% | 2,650,505 |
| Institutional | 22% | 2,853,268 |
| Contingency | 12% | 1,500,000 |
| Total | 100% | 13,074,579 |

Analysis

The increase in Special Revenue Fund – Operational revenues from FY25 to FY26 is attributable to a subaward from Madison College for the Actualizing Biohealth Career Pathways grant funded by the Department of Commerce and a subaward from the University of Wisconsin-Milwaukee for the Industrial Assessment Consortia grant funded by the Department of Energy.

The Special Revenue Fund - Operational is used to account for the proceeds and related financial activity of specific revenue sources that are legally restricted to specific purposes other than expendable trusts or major capital projects.

Special Revenue Fund—Non-Aidable

Fund Description

The Special Revenue Fund - Non-Aidable is used to account for assets held by the District as an agent for individuals, private organizations, other governmental units, or other funds, and it includes scholarships, student grants, work study, and agency funds. MATC Special Revenue Fund – Non-Aidable includes the Financial Aid Fund and both Agency Funds for Student Athletics and Student Activities.

Special Revenue Fund – Non Aidable (Financial Aid)

Activities

The FY 2026 revenue budget for the Office of Financial Aid is derived from multiple federally funded student aid programs, as outlined below:

 The Federal Pell Grant program constitutes the foundational component of most student financial aid packages. Funded by the U.S. Department of Education, Pell Grants are awarded to eligible undergraduate students with demonstrated financial need who have not yet earned a bachelor's degree, as well as to those enrolled in select post-baccalaureate programs at participating institutions.

Eligibility is determined through a standardized federal formula applied to financial data submitted via the Free Application for Federal Student Aid (FAFSA), which calculates the Expected Family Contribution (EFC). Pell Grants are awarded as direct subsidies and do not require repayment. In FY 2026, this program continues to support low-income students in accessing higher education, with approximately 5.4 million students nationwide receiving funding across roughly 5,400 eligible institutions.

- The **FSEOG Federal Supplemental Educational Opportunity Grant** program provides additional federal grant funding to undergraduate students with exceptional financial need. Funds are awarded at the institutional level and are distributed based on availability and student eligibility. Like Pell Grants, FSEOG awards do not require repayment except under limited circumstances defined by federal regulations.
- The Federal Work-Study Program (FWSP) provides wage subsidies to support part-time employment opportunities for students with financial need. FWSP funding allows institutions to offer on-campus and approved off-campus employment, enabling students to earn income while pursuing their education. Participation is limited to students who qualify for federal financial aid. The program is intended to promote community service and work experience relevant to students' academic or career goals.

Tribal Indian Grants

 Tribal Indian Grants are targeted financial aid awards for Native American students who meet specific financial need criteria. These grants are distributed in partnership with tribal governments and federal agencies to promote access to higher education among Native populations. Funding supports tuition, fees, and related educational expenses for qualifying students.

Special Revenue Fund - Non Aidable (Financial Aid)

Analysis

The FY 2025–26 Special Revenue Financial Aid Fund is supported by a diversified portfolio of funding sources. The distribution of revenue is as follows:

- Federal Pell Grant Program: 66%
- State Financial Aid Programs: 17%
- Scholarships (Institutional and External): 13%
- Federal Supplemental Educational Opportunity Grant (FSEOG): 2%
- Federal Work-Study Program (FWSP): 1%
- Tribal Indian Grants: 0.32%

This revenue allocation reflects the ongoing reliance on federal and state aid programs as the primary means of supporting student access and affordability, while institutional scholarships and targeted grant programs continue to supplement the core funding base.

Here is the pie chart illustrating the distribution of revenue sources for the FY 2025–26 Special Revenue Financial Aid Fund.

Special Revenue Fund – Non Aidable (Student Activities) Analysis

The FY 2025–26 Special Revenue Agency Fund is primarily supported through student-generated revenue. The budgeted revenue distribution is as follows:

- Student Activity Fees: 75%
- Student U-Pass Program Fees: 23%
- Student Parking Fees: 3%

Student Activity Fees represent the primary funding source within the Agency Fund and are allocated to support a wide array of student activities, including student government, campus programming, student organizations, and leadership development initiatives.

The Student U-Pass Program provides eligible students with unlimited access to local public transit. Revenues generated from this fee directly support the institution's participation in the regional transit program, helping to reduce transportation barriers and promote sustainability.

This revenue structure reflects a continued commitment to student-driven support of campus services that enhance the overall educational experience and contribute to student success.

CAPITAL PROJECTS FUND

The Capital Projects Fund is used to account for financial sources used for the acquisition or construction of major capital assets and remodeling (other than those financed by enterprise funds).

Capital Projects Fund

Fund Description

The Capital Project Fund is used to account for financial resources and related financial activity for the acquisition of sites and for the acquisition, construction, equipping, and renovation of buildings.

MATC issues \$44,000,000 of general obligation promissory notes annually to offset yearly capital costs. MATC plans on issuing \$44,000,000 of general obligation promissory notes again in FY2025-26, which includes \$3,499,800 for Milwaukee Public Television activities.

The Wisconsin Technical College System sets the capitalization threshold at \$5,000 for equipment/software and \$15,000 for remodeling for FY2025-26.

MATC operates four large, comprehensive campuses, which must be maintained. The Downtown Milwaukee Campus contains a number of buildings that need significant infrastructure improvements. At all campuses, there is a continual need for minor projects. At all MATC buildings, a continuous emphasis to improve accessibility for people with disabilities will be a high priority throughout the year. Other projects are to include:

- DMC Dental Clinic Expansion
- DMC Pathway Office Renovations
- DMC Surgical Tech Renovation
- WAC Funeral Services Renovations

MATC must also maintain its operational and academic equipment as well as capitalized programs for public television. As one of the largest technical colleges in the United States, MATC has thousands of computer workstations and hundreds of servers. The orderly replacement of this equipment and maintenance of the hundreds of titles of software require an annual investment of \$7,339,612. Public Television will spend \$2,200,000 for programs, which will broadcast over the next two to five years. College-wide replacement of worn desks, chairs, etc. will require an investment of \$2,742,032. Finally, new equipment necessary to train students and provide them with the skills needed by potential employers will require an estimated investment of \$11,024,083.

During FY2025-26, MATC will borrow \$26,000,000 to finance equipment purchases. Approximately \$9,000,000 of capital equipment purchases budgeted in prior years has been deferred to subsequent years.

Planning Process

In order to build the FY2025-26 Capital Budget, MATC continued to use the same prioritization criteria and process as the previous year. The criteria used in the prioritization matrix was carefully determined to assist in scoring and ranking requests for capital spending. The matrix is designed to facilitate an objective review that gives priority to spending on current initiatives and strategic goals, as well as target current workforce and community demands. The review process also requires cross-sectional areas in the College to score capital requests based on established criteria. The capital budget process started in October and involved several departments. The construction department conducted tours of District facilities, including outlying campuses and assessed immediate needs. A 3-year plan was developed based on MATC's strategic plans, goals and initiatives.

DMC-H-BUILDING - DENTAL EXPANSION:

This is the fourth and final project to provide an expansion to the Dental programs in the H-Building in order to increase enrollment by fifty per cent. This project is part of the State of Wisconsin appropriation to train additional dental hygienists and assistants.

DMC – PATHWAY OFFICES RENOVATIONS:

The project will create individual Pathway Offices for each of the Pathways on the Downtown Milwaukee Campus. Along with creating non-shared spaces, the intent of this redistribution is to bring all of the Pathway Offices to the "Main Street" circulation corridors on the second floor of the Main, C, and T Buildings. The end result is to make the wayfinding of the offices for intuitive, and create greater opportunities for interaction with the students they serve.

DW - GENERAL CLASSROOM UPGRADES:

This project will target general classroom space that has not been remodeled in more than sixty years. The project will provide new finishes, floors, ceiling system, digital controls, fire alarm devices, smoke detectors, occupancy sensors, power, and lighting.

DMC – UNIVERSITY CENTER/DUAL ENROLLMENT/STUDY ABROAD: \$400,000 This project will create a student service space for those involve in Dual Enrollment, Study Abroad, and transferring to four-year institutions. Much of this interaction is currently accomplished remotely, and service could be more effective in-person in some cases.

OCC – CLASSROOM/LABS REALIGNMENTS (REFRIGERATION):

This project will create an area that conforms to codes and standards related to the new refrigerant requirements in place at the beginning of the calendar year. The new refrigerant has greater flammability characteristics and requires specialized storage and exhaust.

WAC - FUNERAL SERVICES RENOVATIONS:

This project will renovate a portion of the first floor of the Main Building on the West Allis Campus to accommodate the Funeral Services program currently housed in leased space in an adjacent building. The relocation will also provide an opportunity for the program to expand in the future without investment in leased spaces. As this is the only program of its type in the state, students from various parts of the state attend. The West Allis Campus provides access to affordable housing for those students.

The Debt Service Fund is used to account for the accumulation of resources for payment of general long-term debt principal and interest.

al and a second

ENTERPRISE FUNDS

The Enterprise Funds are used to account for ongoing activities which are similar to those often found in the private sector. Their measurement focus is based upon determination of net income. The operations of the various food service centers, bookstores, child care, and other activities which complement the basic educational objectives of the District (i.e., instructional related resale accounts, videoconferences and workshops) are accounted for in the Enterprise Funds. The services are provided primarily through user charges. The television operations accounted for include user charges, grants from the Corporation for Public Broadcasting, and other support, as well as the operating expenses.

Enterprise Fund

Fund Description

Enterprise Funds are used to account for operations where the cost of providing goods or services to students, district staff, faculty, or the general public on a continuing basis is financed or recovered primarily through user charges or where the District Board has decided that periodic determination of revenues, expenses, or net income is appropriate.

These operations include Bookstore, Food Service, Child Care, Milwaukee PBS and Other Enterprise Funds. The Other Enterprise Funds consist of the following operations: MATC Parking Structure, MATC Student Housing, joint enterprise instructional operation areas such as Food Service, Barber Cosmetology and multiple other operations.

As required by Wisconsin Technical College System Board regulations, business plans have been prepared for each enterprise fund.

Enterprise Activities

 The Milwaukee Area Technical College (MATC) Bookstore anticipates a stable and positive performance for FY2025–26. The MATC Foundation will continue to provide financial assistance to students for the purchase of required course materials and supplies. As the industry shifts from traditional textbook sales to lower-cost inclusive access models, textbook revenue is expected to continue its gradual decline.

To mitigate this reduction, the Bookstore has expanded its offerings of non-textbook instructional materials in response to increased demand from faculty. These additional sales are helping to offset the decrease in textbook-related revenue. Furthermore, institutional programs such as Second Chance Pell and Workforce Solutions continue to support Bookstore operations through bulk textbook purchases.

While online sales remain consistent with the prior fiscal year, sales of school supplies are projected to close higher in FY2024–25. Looking ahead, the Bookstore will focus on enhancing revenue by broadening its general merchandise inventory in FY2025–26. Planned expansions include a wider assortment of logoed apparel, technology products, and school supplies to better meet student and community demand.

 Food Service (Cafeteria) continues to experience growth in participation and anticipates further increases in FY2026, aligned with projected enrollment growth, staff expansion, and the activation of additional service stations. Menu enhancements have been implemented, including an extended eight-week entrée cycle and rotating pop-up specials at both the grill and pizza/pasta stations. These improvements are designed to enhance customer satisfaction and perceived value, contributing to overall student retention. The department plans to aggressively promote the meal plan program, which achieved record participation levels in the past year. Marketing efforts will also target increased traffic in both the Coffee Shop and Café locations. Opportunities for revenue growth are being explored through expansion of summer operations, which are viewed as a key area for development.

The convenience store (C-store), currently undergoing final naming considerations, has demonstrated strong revenue potential and high levels of student satisfaction, particularly due to its evening availability after cafeteria hours. Efforts are underway to expand offerings and enable students and staff to use food share benefits at this location.

Collaboration with the Bookstore team is ongoing to address food service needs at the West Allis campus following recent space adjustments. At the Oak Creek campus, increased foot traffic has prompted adjustments in staffing levels to support demand, and additional service enhancements are being considered. Operations at the Mequon campus remain stable, with new staff in place and ongoing engagement with students to assess evolving needs.

At the Walker's Square campus, Food Service is actively evaluating improvements in food access through its vending partner and is engaged in ongoing discussions about how best to meet the needs of that student population.

Overall, the Food Service team remains focused on strategic growth, service enhancement, and increased engagement, with positive expectations for continued improvement and performance in FY2026.

• Child Care Services continues to actively pursue funding opportunities through strategic community partnerships and competitive grant programs. The department is currently concluding the third year of funding under the *Child Care Access Means Parents in School (CCAMPIS)* grant program. An additional fourth year of funding has been authorized and will be used to offset eligible operating expenses. Staff are actively monitoring *Grants.gov* and the *National Coalition for Campus Children's Centers (N4C)* listservs for updates regarding future CCAMPIS grant competitions.

Future funding from the U.S. Department of Education and related state initiatives, which are supported through federal block grants, remains uncertain due to shifting administrative priorities at the federal level. At the state level, the Wisconsin Department of Children and Families will continue to support early childhood education providers through *YoungStar Quality Rating and Improvement System (QRIS)* premium payments. Due to the department's accredited status, Child Care Services receives YoungStar funding at the highest reimbursement tier.

However, State of Wisconsin funding from the *Child Care Counts Stabilization Funds* is scheduled to conclude on June 29, 2025. This sunset will negatively impact childcare centers revenue projections for FY2026 and beyond. Despite this anticipated reduction, student enrollment has increased in calendar year 2025, with projections indicating continued growth into 2026.

At the national and state levels, affordability and access to child care remain significant policy concerns. In response, Child Care Services conducts annual market rate analyses to ensure non-student tuition rates remain competitive with comparable providers in the region. Student tuition rates are subsequently established as a percentage of the non-student rate structure.

Staffing shortages continue to constrain the department's ability to maximize revenue generation. While incremental improvements in recruitment and retention have been realized, vacant positions may continue to limit the number of available, revenue-generating child care slots in 2026.

Increased costs for consumable supplies are exerting additional pressure on the department's operating budget. While less than 5% of the proposed total budget is allocated to non-personnel operating expenses, the rising cost of goods necessitates continued efforts to allocate allowable expenses to the CCAMPIS grant wherever feasible.

 During FY2025-206, Milwaukee PBS will continue to emphasize the storytelling of local people, places, culture, and history across Milwaukee and southeastern Wisconsin. Our content will remain centered around key local themes, including history, the environment, and cultural heritage.

The station's production team is working on several new documentaries, such as Wisconsin's Road America, The Underground Railroad in Racine, and a celebration of the nation's 250th anniversary. Additional ongoing series include Movers & Shakers, Ode to Milwaukee, the 33rd season of Black Nouveau, the 26th season of Adelante, the 12th season of The Arts Page, and the 3rd season of Rhythm Cafe.

Milwaukee PBS will continue to produce *How We Heal*, a series focusing on the health and well-being of veterans, particularly addressing issues related to veterans' health and suicide prevention in Wisconsin. The station is also committed to its long-standing coverage of the Juneteenth celebration and parade, now in its 53rd year, making it one of the oldest such celebrations in the country.

Additionally, PBS will nationally broadcast one of Milwaukee PBS's locally-produced programs, *Adrian Dunn's Wonderful*, a gospel music program featuring a 40-member community choir.

The station will maintain its partnerships with community organizations to host special events, such as *Be My Neighbor Day*, *Doors Open MKE*, and children's educational

initiatives at local libraries. These initiatives will also include regional educational travel opportunities for students and the community.

- MATC will allocate \$3,664,706 of tax levy to Milwaukee PBS for its debt service (principal and interest) payment.
- \$3,499,800in funding will be provided by MATC bond issuance for Milwaukee PBS capital equipment.

Enterprise Analysis

For FY2026, the Enterprise Fund operational revenue budget is allocated across several functional areas. Milwaukee PBS comprises the largest portion, accounting for 49% of total Enterprise Fund revenue. The Bookstore represents 29%, followed by Food Service at 9%, Other Enterprise Fund activities at 8%, and Child Care services at 5%. This distribution reflects the relative scale and operational priorities of each enterprise activity within the District.

| Revenue | Percent of Total | Revenue | |
|-------------------------|------------------|------------|--|
| Milwaukee PBS | 49% | 11,789,406 | |
| Bookstore | 29% | 7,052,210 | |
| Food Service | 8% | 1,924,500 | |
| Child Care | 5% | 1,320,240 | |
| Other | 9% | 2,121,469 | |
| Total Operating Revenue | 100% | 24,207,825 | |

Milwaukee PBS is the largest of the Enterprise Funds and accounts for a significant portion of the overall Enterprise Fund revenue in FY2026. The station's budgeted revenue for FY2026 includes approximately \$2.0 million from the Corporation for Public Broadcasting (CPB) through the Community Service Grant. An additional \$8.5 million is projected from the Development Fund, which includes fundraising revenue generated through underwriting, membership pledges, and major planned giving initiatives. Milwaukee PBS also anticipates \$1.2 million in investment income derived from the FCC Spectrum proceeds.

The remaining Enterprise Funds—including the Bookstore, Food Service, Child Care, and Other Enterprise activities—derive the majority of their FY2026 revenue from user fees charged to students and other stakeholders.

Enterprise Analysis

The FY2026 Enterprise Fund operational expenditure budget is allocated across the various enterprise activities as follows: Milwaukee PBS accounts for 48% of total Enterprise Fund expenditures, followed by the Bookstore at 27%, Food Service at 12%, Child Care at 8%, and Other Enterprise Fund activities at 5%. This allocation reflects the operational scale, programmatic priorities, and service demands of each area within the Enterprise Fund portfolio.

INTERNAL SERVICE FUND

An Internal Service Fund is used to account for the financing of goods or services provided by one department or agency to other departments or agencies on a cost-reimbursement basis. An Internal Service Fund is used to account for all collections and claim payments of the District's health, dental, property, general liability, and workers compensation self-insurance program.
Internal Service Fund

Fund Description

The Internal Service Fund is used to account for the financing and related financial activities of goods and services provided by one department of the district to other departments of the district, or to other governmental units on a cost reimbursement basis.

MATC's Internal Service Fund is used to account for all health and dental insurance transactions. This fund tracks all activities on a cost-reimbursement basis for health and dental services (claims) for the entire District. MATC became fully self-inured as of July 1, 2016.

MATC joined the WTCS Consortium in FY2019-20 for both health and stop-loss insurance and anticipates continued savings from pooling risk with 8 other technical colleges.

Analysis

Revenues and expenditures in the Internal Service Fund are expected to be \$37,000,000, which is a 3% increase from FY2024-25. The Fund Balance is estimated to remain unchanged (\$4,204,251).

(1) Due to varying assessment policies in the municipalities contained in the District, the District uses equalized value of taxable property for tax levy purposes. This equalized value of property approximates estimated actual (full) value of taxable property. Beginning January 1, 2000, the value of agricultural land is reflected at its use value rather than its market value.

- (2) District property tax rates are shown per \$1,000 of equalized value.
- (3) Levy is proposed; equalized value is projected, with final value to be determined in fall of 2024. It is important to note that the 2013 Wisconsin Act 145 (the "Act") was signed into law by Wisconsin's Governor on March 24, 2014. The Act shifted a portion of funding for technical college districts in the State from property taxes levied by the districts to a State aid payment by replacing approximately \$60.4 million (for the MATC district) of property tax levies with a State payment beginning in 2015.

FY 2025-2026 Capital Construction Recommendations

Prioritization Process

The capital projects presented for consideration in this document were selected using the established MATC process for capital prioritization and selection. All requests were ranked in categories such as alignment with MATC strategic vision and values, compliance and mandates, industry and student impact, existing physical space conditions, risk mitigation, disclosure of all costs, and efficiencies and revenue potential.
